Map Annexation Of 3000 Home Westlake Area

A 3000-home residential development that would swell Daly City's population by 9000 people is just around the corner, it was learned this week.

Henry Doelger Builder, Inc., has proposed to the council the annexation of 440 acres south of the present Westlake Highlands tract.

Doelger says approximately 3000 homes would be built in the area—each with an assessed valuation of $3000.

It is estimated by the Doelger firm that there would be an average of 3.7 persons per residence, meaning a minimum of 9000 new citizens in Daly City.

The Problem

The problem now facing the city council is: Will the new development bring in enough revenue to the city to offset costs of providing new facilities. If outlay for services outweighs revenue, the cost may have to be absorbed in the general tax rate or by bond issue.

But according to an analytical report being prepared by city attorney Frank Blum, at the request of the council, revenue will exceed costs.

Blum's overall report shows that state apportionment and local taxes and water department income from the 3000 dwellings will bring in an estimated $289,265 annually.

Cost $54,360 Yearly

Providing municipal services will run about $54,360 per year, Blum said, leaving a net income

THE TOWN RECORD

By MONTE DAYTON

My achin' back: The wildest World Series bet of the year has been contracted by six top-of-the-hill chance takers who drummed up the idea over the mahogany the other night.

GUS SEBASTIANI, JOHN MILANI and WILLIAM O'NEILL are picking the Giants to win.

DEL FEHL, JOE LEWKOWITZ JR. and JOHN PIORKOWSKI favor the Tribe.

The three participants who pick the series loser are going to tote the three winners from the top-of-the-hill to the cemeteries—by wheelbarrow, and back again.

Making the wager even more interesting, everytime the loser stops to rest on his journey, he must buy all the winners a drink.

An ambulance has been alerted to stand by for the pushers while a tank car of Old Crow has been asked to supply the riders on their stops, which promise to be numerous.

In case you want to watch, the penalty on this bet will be carried out October 10 at 2 p.m., in front of the Central Club .

Speaking of drinking, a lot of Westlakers, among them Daly City's mayor, are getting San Francisco water.

Drinking the stuff's bad enough, but what if they start billing the city for it?

The latest in gimmicks, featured in a house organ for municipal officials, is a box that's attached to parking meters in which you can drop your fine after you've parked over time.

We suppose that after a time penalties for violation of the law will be so simplified that the courts can be dispensed with.

We can visualize an electric chair installed in every community, where murderers may drop a coin in the slot, receive a jolt of several thousand volts and thus save the state cost of a jury trial.

The county Grand Jury was on the verge of investigating things in Daly City, or so we hear from down the line.

Men of the cloth came to an agreement down at Westlake's new Medical building this week.

Seems both the Westlake Baptist church and Our Lady of Mercy Catholic church were going to use the building for services at the same time.

The Rev. ROY MILAM and Father RICHARD POWER decided it wouldn't be conducive to the tone of their respective messages to hear services of the other faith coming from an adjoining room, so they re-arranged their schedules.

LOU MARTIN, coach at Jeff Hi, and his wife, KAY, are parents again and it's a daughter again, born September 26, Mary's Help hospital, weighing 7 lbs., 1 oz. and named DENISE.

This makes child No. 4 and daughter No. 4 for the Martins.

The JOE FRIDAY tactics were

MAID ADMITS ONE COUNT OF GRAND THEFT AT HOME

Vera May Hinds, charged with theft of $2000 in coins from her employer, Milton Strouch, 77 Westbrook, pled guilty to one count of grand theft amounting to $460 in municipal court yesterday (Thursday).

The other two separate counts, amounting to $600 apiece, were dismissed by the district attorney's office.

The 29-year-old maid admitted taking some $460 worth of the rare coins on September 8.

In other action in municipal court yesterday, Lee Leroy Doolan, 716 Midway avenue, was found guilty of drunken driving in Daly City September 21. He was sentenced to 30 days in the

FUTURE BRIGHTER

Boerstler Kin Find A Home

Life begins again this week for the tragedy ridden Boerstler family of 342 Woodrow street in Daly City.

When 28-year-old George Boerstler was killed recently while cleaning the family basement with gasoline, the future looked dark for his young wife and four sons, Charles, 6, George, 4, Raymond, 2, and Robert, 17 months.

This week the family, who left San Francisco Monday, will arrive at the world famous "Child City" at Mooseheart, Illinois. They will remain there, guests of the two million member Loyal Order of Moose, owner of the famed institution, until the youngest child has been graduated from high school.

The late Mr. Boerstler's membership in the San Francisco Lodge of the Loyal Order of Moose guaranteed the raising and educating of the family in the event of any emergency.

Handling the family evacuation from here were George R. Reilly, Governor of the San Francisco Lodge, Dr. Robert Grosso, junior Governor and Frank B. Huebsch, Secretary of the Lodge. Representatives of the Daly City fire department and other civic organizations were present to bid farewell to the young family. The "Child City" is situated at Mooseheart, Illinois. It is maintained by the membership of the Moose fraternity.

OFFICERS of the Loyal Order of Moose, with Daly City representatives, say farewell to Mrs. George Boerstler and family, formerly of 342 Woodrow street. The Loyal Order of Moose brought the bereaved family to Mooseheart, Illinois, on the accidental death of Mr. Boerstler last May. Saying goodbye from left to right are: George R. Reilly, Governor of the San Francisco odge; Frank B. Huebsch, secretary; Pete Markovich, managing director of the Daly City Chamber of Commerce; Fire Chief Elmer Kennedy; and Dr. Robert Grosso, Junior Governor of the San Francisco Moose Lodge. Mrs. Boerstler is holding son Robert, 17 months, and is surrounded by sons Charles, 6, George 4, and Raymond, 2½.

Ask Condemnation On PG&E Land In Colma

Passage Of School Bond Seen Tuesday

W. R. Thigpen, president of the San Mateo County Taxpayers' association, announced today that board of directors of his group have gone on record favoring the passage of Jefferson High School district's $1,600,000 bond issue Tuesday.

An all-time record high of 19,355 voters will be eligible to cast their ballots Tuesday at the $1,600,000 Jefferson Union High school bond election.

Fourteen precincts, comprising Daly City, Broadmoor, Coastside, Bayshore and Brisbane areas, will handle the turnout.

In order to pass, the bond issue must be approved by two-thirds of voters casting their ballots.

A victory for the bond issue is seen by local school administrators. Stanford Hannah, district superintendent, said, "In the face of the drastic need for classroom space here and the imminent threat of double sessions I think voters of the district will pass the issue overwhelmingly."

Transportation and baby-sitting will be provided for Tuesday's school bond election.

Persons needing a ride to the polls or someone to care for their children while they are voting may contact the office of Pete Markovich, chairman of the citizens committee, PL. 5-2262.

Bulk of the bond money would go toward construction of a new high school, Westmoor, which would provide classrooms, shops, offices, library, health unit, gym, study hall, fine arts building and necessary athletic fields for an eventual 1500 enrollment.

Current enrollment at the present Jefferson High school plant on Mission street in Daly City is 1450, nearly double the 950 capacity of the building. An estimated 600 elementary students will reach high school age within the next two years, while by 1960 there will be approximately 1000 freshmen.

Hannah said that if the bond issue is not approved, students would probably have to be assigned to double sessions, as is done on the elementary school level.

Cost of the bond issue per home-

OK HIRING FOUR NEW POLICEMEN

The city council Monday night named four men eligible for appointment to the Daly City police force.

They were: William J. Hein, Louis A. Dove, John C. Hopp, and George E. Brooks Jr.

The eligibility list was submitted by the civil service board of review.

City Administrator Dan Andersen was ordered to check with the four men to determine how early they could be available for hiring.

In other civil service business Monday, one-year probationary period of Alen Brush and Ward Albee on the fire department was declared successfully completed.

Crusade Quota Here Established At $8,112

Campaign Chairman W. R. "Rem" Thigpen announced today the goal for Daly City-Colma for the San Mateo County United Crusade. A total of $8,112 must be raised this year to help support the 25 health, welfare and youth services depending on United Crusade support in San Mateo county. The entire goal for the County is $613,-

JEFF ELEMENTARY WILL ATTEMPT TO PROVE SUPERIOR USE OF DISPUTED AREA

A "resolution of necessity" starting condemnation proceedings against the PG&E for five acres of land near Colma was scheduled to be passed last night (Thursday) by the Jefferson Elementary School district board of trustees.

The necessity resolution constitutes the first step in the district's action to condemn five acres of PG&E controlled land between Edgemar and Old San Pedro road for use as a school site.

Lyal Edson, attorney for the district, will file the resolution with the district attorney's office, after which the action will be forwarded to Superior Court and trial date set.

Temporary Injunction

The resolution will constitute, in effect, a temporary injunction. After the legal step has been taken, the PG&E will not be eligible for any damages against the district for property development undertaken after the filing.

The condemnation proceedings will set a precedent in court, being one of the few cases on record in the United States where condemnation is sought against a utility that itself has power of condemnation.

According to Edson, it will be the district's job to prove "highest and best use" of the property in the public interest.

City, County Oppose

The PG&E was granted a use permit by the county board of supervisors last week to utilize the property for a service yard. The county board's action came in the face of opposition by the Daly City council and the city and county planning commissions who voted down the PG&E's proposed use of the property.

Property adjacent to the area concerned, immediately west of Junipero Serra boulevard, is planned for residential development by the Callan and Doelger builders.

The school district claims that the five acres constitutes the last

(Continued on Page 2)

Mossi Gets First Taste Of World Series Grandeur

Daly City's spectacular Don Mossi got his first taste of World Series grandeur yesterday (Thursday) as he relieved Early Wynn in the ninth inning and put the New York Giants down in one-two-three order.

Although the Indians lost their second straight series game, 3-1, Mossi's efforts were spotless, as he retired the side in order without allowing a hit or a run.

Only a freshman in major league play, Mossi became one of the few rookies to gain a pitching assignment in the grand daddy of all sports activities.

Had Cleveland gone ahead in their half of the ninth, the win would have been Mossi's, since when Wynn left the game his club was behind two runs.

Mossi is in his first year with the Indians, formerly pitching with Tulsa. Appearing in nearly 50 games this year, he had the lowest earned run average on the top-flight Cleveland mound roster—1.94.

His season record was 6-1, and the one loss was an 11-inning, 1-0 affair that did him no discredit.

Mossi acquired his baseball legs on the sandlots and parks of Daly City.

While attending Jefferson Un-

COUNCIL GIVES CHIEF PETROCCHI UNANIMOUS CONFIDENCE VOTE

After a lengthy harangue between the city council and police commission Chief Roland Petrocchi was given a unanimous vote of confidence by the council Monday.

Councilman Sanford Vickers, who had earlier asked for Petrocchi's resignation in connection with the handling of the Hilltop Lodge narcotics investigation, sounded a reluctant "Aye" when role was called on the confidence vote.

For the first time since his department had been under fire by some councilmen, the chief was allowed to sit with the council to discuss the problem.

Open Meeting

The press and public were also invited to the council-commission meeting, which had been declared closed at the time the session was set.

The vote to place confidence in Chief Petrocchi came as police commissioner Ed Whitney stated, "Our chief runs a good department in the strictest sense. The chief has been placed in an untenable spot in the eyes of three councilmen. I do not believe one incident such as the Hilltop Lodge gives sufficient evidence to put our chief under any cloud."

Bring Applause

Whitney's statement brought applause from Mayor Joseph Verducci, followed by spontaneous clapping from members of the audience.

Whitney added that, "I want conclusive and damning evidence that our chief has not carried out his job capably. Otherwise I think the city council should place their faith in him."

Vickers said, "I think we should withhold vote of confidence pending the board of equalization hearing on the Hilltop Lodge. I believe the people should get the full report."

"I have no animosity toward the chief," Vickers continued, "but I believe my request to consider the chief's resignation brought action on this matter."

The mayor then called for an answer to Whitney's request that the council take a stand on the chief's status.

"Unfortunate"

"The whole thing is an unfortunate thing for the city," declared Verducci. "It gives the impression that this is a bad city, which is not true. In three years on the council I have never witnessed an incident like this."

Councilman Edward Dennis then motioned for a confidence vote, whereupon Police Commission Chairman Tony Ricci seconded it.

Councilman Del Wilson spoke up to Ricci, "You can't second this motion."

Wilson then seconded it himself.

"I don't think a vote of confidence is in order until this thing's all over," Vickers opined.

Ricci answered by saying, "Let's

PREPARING for Daly City's first flower show to be held Sunday at the community center are Daly City Garden Club members Mrs. G. Frasu (left) and Mrs. C. Hansen, treasurer.

DC COIN COLLECTOR DISRUPTS NAPA LAW

A Daly City coin collector had the law in Napa county all in a dither Monday, but the misunderstanding ended with an invitation for drinks all around and no hard feelings.

Alfred Oberhaus, 60, was picked up by Napa county sheriff's deputies after they were notified by alarmed residents that he was wandering along the Napa-Sonoma highway eight miles west of Napa.

Picking up Oberhaus, they found $4700 in $100 bills and $98 in small denomination currency on his person.

He explained that he had withdrawn the amount from the branch Bank of America in San Mateo with the intention of buying a coin collection in Los Angeles.

When the coin collector wouldn't go through with the sale, Oberhaus made a spur of the moment decision to vacation in Napa.

Monday evening he decided to take a stroll from Napa to Vineburg, a 16-mile jaunt, for dinner.

Checking on his story, Napa officials found it to be true. San Mateo bank representatives said Oberhaus had withdrawn the money from his sizeable account at their bank. He also has a valuable coin collection locked in the bank's vault, they said.

After his story was verified, Oberhaus held no grudge against the sheriff's officers, inviting them to take a walk to the corner bar for a drink on him.

SF MAN HELD ON TWO COUNTS CHILD MOLESTING

A convicted child rapist on probation from San Quentin was arraigned on two counts of child molesting before Judge Fred Wyckoff's municipal court Monday.

Lawrence Tachalli, 29, of 188 Goethe street, San Francisco, was picked up by local police at the Daly City Theater Saturday, after he allegedly fondled a six-year-old Daly City girl.

Police said Tachalli, who also spells his name "Tachelli," escorted the girl and two young boys to the show, paid their admission and bought them candy.

An usher spotted Tachalli as the man who had assertedly been involved in a previous molesting in-

(Continued on Page 2)

FIRST ANNUAL FLORAL SHOW SET FOR SUNDAY

The public has been extended a cordial invitation to attend Daly City's first annual flower show to be held Sunday at the community center on Alp and Mission streets from 1 until 9 p.m.

The floral event is being sponsored by the Daly City Garden club.

Only amateur flower growers and arrangers are eligible for the competition. All of the exhibitors are members and guests of the Garden club. Ribbons will be awarded for first, second and third prizes.

Persons interested in arranging or growing flowers have been urged to attend the event to help make the initial show a success.

Members of the flower show committee, headed by chairman Mrs. C. M. Yohn, are: Mrs. C. R. Hansen, staging; Mrs. R. A. Garay, schedule; Mrs. M. Gronemeyer, entries; Mrs. S. Mollette, hospitality; Mrs. J. Frasu, publicity; Theresa Flower Studio, 2036 Taraval street, flower show counselor.

Council Gives Chief Petrocchi A Confidence Vote

(Continued on Page 2)

starts things fresh again."

On calling the role, all councilmen approved the vote of confidence for Petrocchi.

"Not To A Point" —

Later, however, Vickers said he still thought the information released by the chief and district attorney Keith Sorensen, who also worked on the case, "didn't come to a point."

He argued that some of the facts were still "evasive."

After it was all over Monday night, Petrocchi declared, "I'm happy the council has given me this confidence vote."

He added that, "What started out as a routine investigation and arrest was blown up all out of proportion. It was bad for my department and bad for the whole city."

At one point during Monday's proceedings, Whitney charged that Councilman Vickers took it upon himself, without any authority, to make a one-man investigation of the Lodge.

"Get It Straight"

"Let's get something straight, Mr. Whitney," Vickers returned. "Under government code a councilman is obligated to find out what's going on in his police department. I did not make an investigation, I merely brought the Hilltop situation to the council's attention. Any private citizen could have done the same."

Councilman Michael De Bernardi also questioned Petrocchi on one point during the session. "If the chief had this narcotics investigation in progress why didn't he inform the council and tell us to hold off on our request for an investigation?"

"We had an expert investigator working the Hilltop as early as May 27," Petrocchi answered. When I got back from my vacation in July I read headlines that the Lodge is being investigated.

"To me it was a routine investigation. The newspapers, after the arrests, said 400 sticks were found at the place. Figuring 800 customers on a weekend, that means half of them were hopheads. Why, you'd have had to have an anchor to hold the place down if that was the case."

Kept Secret

Petrocchi pointed out further that he didn't even inform some personnel in his own department about the investigation.

"We can't let these things out or they'll blow wide open. It's not these little buyers we're after in narcotics investigations. It's the pushers and the source we want."

He estimated that "not one department in 1000 would have have made arrests on the three 'small-fry' at Hilltop Lodge."

"In investigations like this one slip of the tongue is all it takes and your investigation is ruined." Petrocchi explained further that he hadn't even informed the district attorney's office of all details on his investigation.

Mossi Gets First Taste Of World Series Grandeur

(Continued from Page 1)

ion High school, he gained gridiron renown as one of the top prep backfield men in northern California.

The recreation commission is currently planning a gala reception for Mossi on his return from the World Series. The city council Monday night forwarded by wire a note of congratulations to Mossi for participating in the World Series.

owner has been estimated at between $3.80 and $5.70 per year, or less than two cents a day.

SF Man Is Held On Two Counts Of Child Molesting

(Continued from Page 1)

cident, and summoned policemen Ed Beecher and Chuck Munday.

According to the officers, Tachalli was observed making indecent passes at the little girl.

The usher said Tachalli was the same man who followed a six-year-old San Francisco girl to the theater lobby on September 11 and molested her.

District attorney's office will prosecute on both counts.

Tachalli appeared in Judge Thomas L. Bocci's municipal court Tuesday, pleading not guilty.

He will appear for preliminary hearing Tuesday at 9:30 a.m. before Bocci.

Local police said Tachalli served 6½ years of a one year-to life term for raping a four-year-old girl and was out on parole when picked up.

OK Final Payment On New Firehouse

Final payment for work on Daly City Firehouse No. 5 in Westlake was approved by the city council Monday.

The city fathers voted $7722 be paid to William Moroney, contractor, on recommendation of Architect Louis Baldini, who said the project was completed to specifications.

Ask Condemnation Of PG&E Land In Colma

(Continued from Page 1)

available site on which to construct a school to handle children from the new residential developments.

According to the PG&E there are 10 acres of undeveloped property adjacent to the contested site which would be suitable for school construction.

Entanglements

Further entangling the legal complications on the property battle is the question as to whether the PG&E has actually acquired ownership of the five acres concerned.

The utility has filed a deed to the five acres but Trustee Mike Callan claims that the property is held in estate, and that many of the owners were staunchly opposed to the PG&E use of the land.

He revealed that 39/720 of the 400 acre estate was held in the name of his brother, Thomas Callan, Jr.

Last week Mike Callan asked Edson if some of the persons owning a share of the property couldn't file an injunction against the PG&E's use of the land.

"Then you'd be named a defendant," Edson explained.

"But it's in my brother's name," Callan pointed out.

Edson stated, however, that a property owner's injunction was not in order at the time.

An Agreement

The attorney hinted that a "gentlemen's agreement" might be arrived at before actual court proceedings start. "I don't think they will want to go to the full expense of a lawsuit," he said.

Edson explained further that, "There is very little law in the United States on superior use. It will be up to us to prove this superior use."

The PG&E gained control of the property concerned at a price of $4500 per acre.

However, according to Trustee Callan, the PG&E has no title to the property.

If condemnation against the PG&E is approved, it is expected they will be re-imbursed by the district at the same amount of money per acre that they assertedly paid the owners.

The Town Record

(Continued from Page 1)

turned on by local coppers and the feds Friday, as the FBI got an anonymous tip that the DC Bank of America was target for a heist.

Although the robbery never came off, gendarmes had years added to their lives Monday of this week when someone accidentally set off the burglar alarm.

Donors are urgently needed to fill the blood bank account of MRS. KATHLEEN SIFFORD, 1036 Gilman drive, Broadmoor, who has been confined to San Mateo Community hospital for 14 months for treatment of serious burns suffered as a result of an accident in her home.

Mrs. Sifford, mother of three children, required numerous transfusions because of skin grafting and her account at the blood bank has been depleted. Futher skin grafting operations are necessary, making the need for blood for more transfusions very urgent. Donors may give blood at Irwin Memorial Blood Bank in San Francisco and Mills hospital in San Mateo.

Maid Admits One Count Of Grand Theft At Home

county jail or $150 fine.

Edward Ewing, 10 Park Plaza drive, was found guilty of petty theft arising out of a bad check allegedly passed at a local tavern May 16.

He was sentenced to 20 days in the county jail, suspended on condition he make restitution of the funds and be placed on probation 120 days.

Mason Is Named Head Of City Parks

Duties of James Mason, recreation director, were increased Monday night to include jurisdiction over the city's parks.

Action came as part of the city council's plan to combine the recreation and park departments.

August Conci will continue in his capacity as advisor and gardener for the parks, under Mason's direction.

Mason's new capacity brings with it a salary increase of $50 a month, making his total monthly salary now $450.

San Francisco's present Main Library was opened in February, 1917.

Map Annexation Of 3000-Home Westlake Area

(Continued from Page 1)

to the city of $234,005 each year.

Big factor yet to be established, however, is the cost of capital expenditures which will be required by the development. Blum said the 9000 new residents probably will require another firehouse, one more police vehicle, and a new reservoir and transmission lines.

Other facilities to be considered are park sites and a library annex.

Capital Expenditures

Blum estimated capital expenditures on the firehouse, reservoir and one police vehicle would run about $277,500.

Whether a bond issue would be required for these expensive projects was not known, but Blum said it might be possible to finance the expenditures on a "pay as you go" plan.

Under the city's new plan requiring builders to pay a certain fee to cover cost of facilities on each lot of land annexed, it is believed Doelger will provide the land for two park sites, a firehouse and a reservoir.

Exact amount of property that will be offered by Doelger with the annexation is yet to be determined by the council.

However, a tentative plan brought up by the council two weeks ago suggested $30 a lot as a reasonable figure. This would mean Doelger would be expected to set aside approximately $92,400 worth of land for city facilities as his part of the agreement.

Each of the 440 acres would be divided up into approximately seven lots.

Breakdown

Blum gave the following breakdown of estimated annual revenue from the 3000 residences: State motor vehicle in lieu tax, $13,800; alcohol beverage tax, $3000; gas tax, $9000; water department revenue, $153,000; recreation bond fund, $9000; fire protection bond fund, $6750; library, $5400; parks, $1035; city employees retirement fund, $4500; general fund, $83,750.

Revenue accruing from city taxes is based on the present rate of $1.13 per $100 assessed valuation.

Breakdown on capital expenditure costs to the city showed: Firehouse, $75,000; one new police vehicle, $2500; reservoir and transmission lines, $200,000.

Itemization on operating costs per year was estimated at the following: Two new water department personnel, $8400; six more fire department personnel, $23,400; five more police department personnel, $22,560.

Once launched, the proposed Doelger development would be completed in about four years.

OPEN NIGHT ADULT CLASSES AT JEFF TUESDAY, OCT. 5

Registration for adult classes at Jefferson Union High school, which will be offered each Tuesday and Thursday evenings 7:00 to 9:00 p.m. will be open on October 5.

Classes will be open that evening, and students may register in their respective classes.

The following classes will be open and others will be added when there are sufficient requests for them:

Clothing, clothing room, Mrs. Griffith; ceramics, ceramic room, Mr. Nissen; Typing, room 29, Mr. Hinkle; Americanization, room 10, Mr. Lekas; English for foreign born, room 10, Miss Lekas.

Anyone interested in other classes should write or phone the school, PLaza 5-6661. The secretray will take names and addresses, then notify the applicants when a sufficient number have indicated their interest in a new subject.

After Delay, City Awards Bid On Submersible Pump

After a two-months delay because of a protest by one of the bidders, the city council Monday awarded contract for supplying a submersible pump to Pump Repair Service for $6876.97.

Only other bidder was H. J. Wrigley Co., who submitted a price of $6,905.

The council was set to award the bid to Pump Repair Service two months ago, when a representative of Wrigley charged that the specifications favored the opposing bidder.

To satisfy the Wrigley Co., the city council re-advertised for bids.

The submersible pump will be used at the No. 8 well at the pump house on Citrus avenue.

Elect Officers For Newman Club

New officers for the 1954-55 season of the Holy Angels Newman club were elected at the first meeting on Wednesday, September 22.

They are: Don Ricci, president; Miss Pam Hix, first vice president; Bill Brush, second vice president; Don Bocci, treasurer; Miss Gail Merlo, secretary; Miss Peggy Coulter, publicity chairman.

At another meeting Wednesday night, plans for the coming year were discussed.

TWO LOCAL MARINES ARRIVE AT INCHON

FAR EAST—Marine Pfc. Ronald W. Joy, son of Mr. and Mrs. Paul Joy of 138 Irvington street, and Marine Pfc. Donald R. Webster of 114 Los Olivos street, both of Daly City, recently arrived at Inchon harbor aboard the transport Gen. A. W. Brewster to join the 1st Marine Division in Korea.

Father Farrell, pastor of Holy Angels church, has extended an invitation to all high school students, residing in the parish, to join the club.

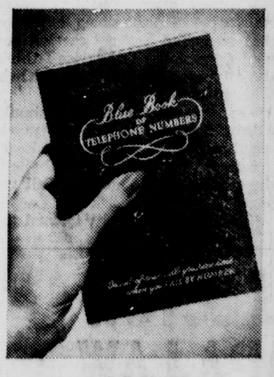
WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

A radio powered by sunlight

For centuries man has dreamed of getting power from the sun. Perhaps you, too, have wondered about it. Well, now it's happened. Bell Telephone Laboratories has invented a solar battery that directly and efficiently turns sunlight into useful amounts of electricity. It's made from an ingredient of common sand. Even at birth, it supplies enough power to run a small radio set (right) or send voices over telephone wires. Much development remains to be done. But the Bell Solar Battery, used with transistors, offers great opportunities for improvement and economies in telephone service. Research like this helps us bring better telephone service to more people at the lowest possible cost. **Pacific Telephone works to make your telephone a bigger value every day.**



Free booklet for your personal telephone numbers

Here's your handy guide to the local and out-of-town telephone numbers you call most often. By listing numbers you call frequently in this booklet, you'll be able to find them quickly and easily. And when you give the operator the number you want, out-of-town calls go through twice as fast. For a free copy, just call, write, or drop in at our business office.

To keep pace with growth and to provide San Francisco residents with more telephone service, Pacific Telephone has construction projects under way that amount to more than a quarter million dollars.

At the end of 1945 Pacific Telephone Plant investments amounted to a little over $68,000,000. By June 30th of this year the Plant investments had climbed to more than $127,000,000. During the last 8½ years this represents an increase of 87%.

The number of telephones in San Francisco has shown a tremendous increase too. On December 31, 1945, there were 346,470 telephones in the homes and offices of San Francisco residences and business firms. By June 30th this year the telephones had climbed to 470,679. This reflects an increase of 124,209 telephones during that period.

During the average business day of 1945 originating calls amounted to 1,594,678 per day. For the first 6 months of 1954 this figure increased 37% to a volume of 2,187,625 a day.

Total taxes paid on property assessed to Pacific Telephone within the city and county of San Francisco for the fiscal year 1945-46 amounted to $1,224,907.04. For the fiscal year 1953-54 this tax figure increased 151% to $3,072,291.04.

Harold P. Bradshaw ..... Publisher & Editor

TIME TO WAKE UP, RIP!

We view with optimism the appeal, even if belated, on the part of the city council to organize some sort of civil defense or disaster program here.

While communities throughout the state are conducting regular weekly training programs for defense and disaster workers, Daly City has sat idly by for nearly a decade content with having an occasional trial horn-tooting constitute its civil "defense."

We don't know why, or who is responsible—perhaps it is the laxity of the community itself—for the lack or organized resources or personnel here to stand by in times of catastrophe, but it's high time a few tangible efforts were made.

As indicated by the mayor and council, of first importance is the securing of one man who is capable of organizing the program here.

Once this director has secured volunteer manpower, Daly City will have little trouble gaining funds for the program.

Last month almost $1,000,000 in federal and state matching reimbursement funds for civil defense purposes were sent out to cities and counties in California.

Daly City, unorganized, never got a nickle of this money that it could be entitled to and could use for the welfare of its citizens.

The fact that $1,000,000 went out last month is evidence enough that other communities are facing the reality of a disaster threat.

After nearly 10 years, it's time Daly City pulled out of the Rip Van Winkle act.

Letters To The Editor

Voters Have Opportunity, Says Ingersoll

To the Editor:

I wish to say a few words to the people of the Jefferson Union High School district before the forthcoming bond election October 5.

The principles upon which our democracy is founded demand that we maintain and support the laws, schools, and institutions that have played so large a part in making this nation the greatest on earth. May the vigor of our support ever keep pace with those demands.

There can be no doubt about the need for more schools, especially in California, and more particularly in the Bay Area and our district. You, the voters, have the opportunity at this election to relieve the congested classrooms in your high school by supporting the bonds.

I earnestly urge you to keep faith with the children, back your elected board and preserve the ideals of Americanism by supporting the high high school bonds.

Sincerely,
Lyal Ingersoll

"Home Town News Is Still The Finest"

Dear Sirs:

May I take this time to thank you and the members of your staff for their fine assistance in making our V.F.W. Youth Guidance Dance a complete success. Your coverage of our affair again proves that home town news is still one of the finest things to read about. We recently received a check from an overseas veteran who read about the dance in THE RECORD and forwarded a check to us for two tickets. On behalf of the members of the Auxiliary and the members of the Post, thank you for your kind assistance.

If at any time we may be of assistance to you or members of the community, please feel free to call upon us.

Sincerely yours,
ANITA WOODS,
President,
Ladies Auxiliary, V.F.W.
Lake Merced Post

McGeein Lists Data On Jeff Bond Issue

Dear Editor:

As you know there is to be a Bond Issue presented to the voters on Tuesday, October 5th, for the Westmoor High School in the Jefferson Union High School District. The Bond Issue you will be asked to aprove is for $1,600,000.00

The 1951 bonds which you voted on favorably were for two primary purposes—to purchase sites for two prospective schools and to construct a new cafeteria building on the site of the present Jefferson High School. This has been done. The cost of these items was about $500,000, leaving some $800,000 in the unissued bonds of 1951. These facts were pointed out to the voters at that time.

Obviously we cannot erect an adequate High School for $800,000. We are therefore asking the voters of the Jefferson Union High School District to augment these funds by an additional $1,600,000 to complete the new Westmoor High School.

It has been intimated that we should be able to build a minimum number of classrooms for school business for the $800,000 in usused bonds, however, it is not as easy as that. If it were we would have no problem.

A modern school plant such as our youngsters are entitled to, requires many more facilities such as assembly buildings, music hall, administrative center, gymnasium, cafeterial, etc. Let me be explicit and read to you the buildings required and the square footage involved. We acquired these figures from a study we have had made.

Administrative area	$3,300
Health	1,110
Toilets	1,800
Arts, Crafts	3,000
Cafeteria-Study Hall	10,700
Commercial Business	4,500
Classrooms (22)	21,300
Shops	10,500
Litte Theatre	3,300
Gymnasium	30,000
Custodian	400
Lockers	1,000
Halls	7,300
Boiler Room	2,400
Home Economics	3,000
Music	3,100
Library	6,400

Total Square Feet: 120,300—figuring we can build for $15.00 per square foot—$1,804,500.

We then have grading, site development, architectural and engineering fees, utilities, etc. These figures do not include any outside fields, furniture or equipment—$300,000.

Total needed—$2,104,500.

Now you can decide at the polls on October 5th whether you want a complete up-to-date school for your children or a make-shift assembly that will require constant adding to at an ultimate cost greater than you are now asked to approve.

Mrs. Mildred McGeein

Publicity Aids OLPH Recent Parish Picnic

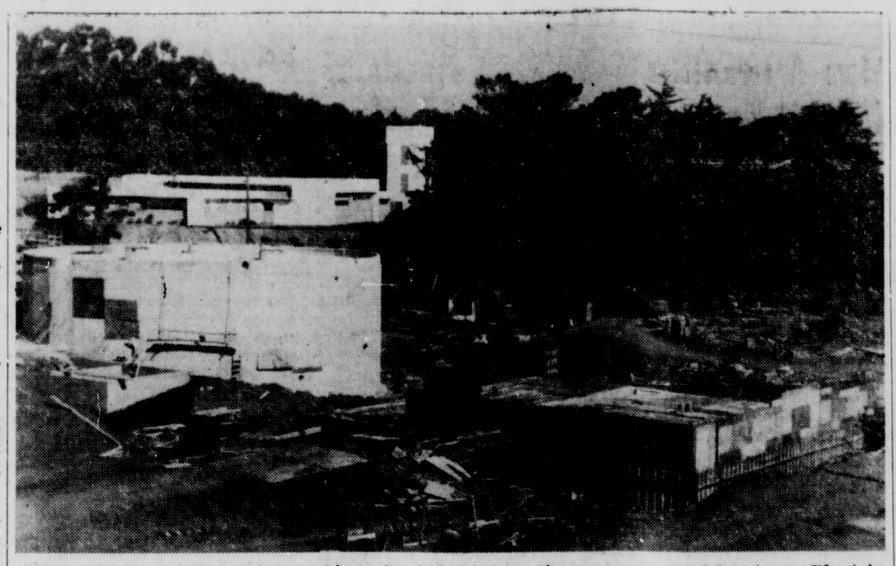
Dear Sir:

The O.L.P.H. Parish Picnic was a grand success. There is little doubt that the excellent publicity given this event by your paper was attributable in a large way for the response obtained. On behalf of the committee, please accept sincere thanks.

Respectfully,
Walter L. Murphy, President,
O.L.P.H. Holy Name Society

HILLS AND MOUNTAINS

Three-fourths of the area of California comprises rolling hills, foothills, and mountains ranging in elevation from five hundred feet to fourteen thousand feet, according to the National Automobile Club.



VIEW FROM Alemany extension in Westlake shows progres on $500,000 north county primary sewage treatment plant, declared 70 per cent completed this week. At left is huge digestor tank which will break up organic solids while at right is building housing clarifier tank, pump equipment, garage, office space and laboratory. Plant is scheduled to start operation about early 1955.

THE RECORD photo

Sewage Plant Now 70 Per Cent Finished

An odorless, soundless sewage treatment plant to serve 20,000 home in the North San Mateo County Sanitation district will go into operation in about three months, district board of directors estimated today.

Work on the $500,000 sewage disposal project has been declared 70 per cent completed, with only installation of pumps and agitators, plus last-minute construction work, remaining to be done.

The plant, located southwest of the proposed Westlake park site off Alemany and Lake Merced boulevards, will fulfill sewage treatment requirements laid down by the state department of public health in 1946. The state edict made it unlawful to dump raw, untreated sewage in to the ocean. At present, the district is dumping raw sewage into the ocean at a point near Fleischhacker park, but as part of the disposal project carries the effluent sufficiently far out into the ocean to avoid contamination of the beach area.

Most of the sewage will flow to the plant through gravitation.

However, in Westlake subdivision No. 1, which is at a lower elevation than the treatment plant, a force pump will be used to route the sewage from 150 homes direct to a location above the plant, where it will then flow into the tanks. Bids for this pump were called for last week by directors.

Raw sewage will be clarified and chlorinated at the half-million dollar primary treatment plant through a process that starts with a digestor tank and ends up with a clarifier tank.

The digestor breaks up the organic solids while the clarifier liquifies the matter further. According to the district board members, the liquid will be completely harmless after completing the process. In fact, the board said, the sewage will be purified to such an extent that it could even be consumed without harm.

Finances for the project were realized last year when the district voters approved a $600,000 bond issue.

Rotary Report

By Norris Gregory

Rickeys Red Chimney, Stonestown, was the scene of a most eventful and entertaining meeting of the Daly City Rotary Club last Wednesday, September 21.

Mr. Tom Callan Sr., San Mateo County Supervisor, who had been invited to make an "honorary" presentation to Les Ritchie, presented a short talk on school problems facing the residents and taxpayers of San Mateo county.

In addition to Mr. Callan, South San Francisco Rotarians Jim Ferren, Ralph Ankeney, Mario Volante, Lloyd Thorpe, Michael Knock, Bob Blythe and Andrew Rocca, and San Francisco Rotarian Kendrick Miller were also present.

Replacing the scheduled speaker, Mr. Peter LaPollo, representative of the PG&E Co., did a fine job of projecting the movie showing the work done by the PG&E, and the hardships their men endure to keep our electrical supply flowing during the winter months.

A board of directors meeting was held following the luncheon, the subjects under discussion being: erection of Rotary signs in and around Daly City, and projects for the coming year. A committee (Dr. E. Saslaw, Frank Phillips and Dr. T. Lewis) was appointed to handle the forthcoming Christmas party.

One of the most important functions of Rotary International is sponsoring exchange students from foreign countries, and we believe this exchange of students represents another link in the chain of world unit. In line with this thought, we have just approved sponsorship of an exchange student for advance studies in this country.

Through the courtesy of Tide Water Associated Oil Co. we are pleased to announce our guest speaker for Wednesday, September 29, will be Mr. Jack Shaw, sportscaster. Mr. Shaw will give his views on football on the Pacific coast.

SERVICEMEN

Pfc. Peter Teahan Transferred To 25th

25TH DIV., KOREA—Pfc. Peter C. Teahan, son of Mr. and Mrs. John Teahan, Route 5, Daly City, was recently transferred from the 24th Infantry Division to the 25th Infantry Division, which is now in the process of leaving Korea for Schofield Barracks, Hawaii.

The 25th "Tropic Lightning" Division, which has seen more combat in Korea than any other American unit, arrived on th peninsula in July 1950, shortly after the Communist invasion.

Teahan, who entered the Army in May 1953, arrived in Korea last November.

Slate Overseas Duty For Sgt. Florence

Marine Sgt. Raymond Florence, formerly a recruiter in San Francisco, has been transferred to Camp Pendleton for re-assignment overseas.

His wife, Margaret, and two children reside here at 48 Parkview.

Florence is a World War II veteran and has served with the Marines.

LOCAL GUARDSMAN PRESENTED AWARD

Capt. Robert E. Johnson, 161 Park Plaza, is among eight officers in the California National Guard presented with awards for service, Maj. Gen. Earle M. Jones, state adjutant general, announced today.

Capt. Johnson, who serves with headquarters and service company, 149th tank battalion, was awarded the ten-year service medal.

CPL. P. BENAVIDES ENROUTE TO HAWAII

25TH DIV., KOREA. — Cpl. Philip R. Benavidez, whose wife, Teddie, lives at 324 San Diego avenue, Daly City, was recently transferred from the 2nd Infantry Division to the 25th Infantry Division, which is now in the process of leaving Korea for Schofield Barracks, Hawaii.

Benavidez, son of Mr. and Mrs. Joe C. Benavidez, 816 Shotwell street, San Francisco, entered the Army in June 1953 and arrived in Korea last November.

IMPROPER PASSING

Four hundred and fifty persons were killed in the United States during 1953 in traffic accidents caused by passing on a curve or hill, reports the National Automobile Club.

Ridgley Cummings Reports

A CULTURED CUTIE

The other night I met an actor named Dan O'Herlihy and possibly caused him mental anguish by mistaking him for a playwright.

I say possibly because Mr. O'Herlihy, despite his handsome appearance, seemed a modest, unassuming type and made no effort to set me straight.

It wasn't until after I left the theatre that I learned he was a movie star and had played the title role in "Robinson Crusoe," the film version of Daniel Defoe's book about the shipwrecked sailor who maintained himself on a lonely tropical isle with the help of a savage called Friday, no relation to the monotonous character on "Dragnet."

Dan O'Herlihy and his vivacious wife have just taken over a legitimate theatre in an area where little theatres spring up like mushrooms after a warm rain. And too often last only as long.

Repertory Theatre

O'Herlihy is calling his venture the Hollywood Repertory Theatre. He hopes to keep the marquee continuously lit, with a new play every few weeks. I wish him every possible success. But unfortunately Hollywood is not a good theatre town and the mortality rate of shows and theatre groups is excessively high. This I know from experience, having been involved in a couple of highly praised but unprofitable turkeys myself.

The play that drew me within O'Herlihy's doors on opening night was "The Browning Version," by Terrence Rattigan, a topnotch English playwright whose prior work I have been privileged to review, for inadequate compensation I might add.

I was accompanied on this expedition by a cultured cutie who had seen a movie version of the Rattigan play with Michael Redgrave in the leading role. She was determined to be a tough audience and she was, as events proved. But everything in its place and I'll get to that later.

Quite Familiar

As soon as I had handed in our tickets and peered into the theatre, which was nearly empty for we were early, I remarked to my cultured cutie that this wasn't a new theatre at all but one that looked quite familiar to me, though I couldn't remember its previous name.

"Yes, it used to be the Ben Bard Theatre," said a smiling, petite woman with a face like an Irish pixie. It developed that the speaker was Mrs. O'Herlihy. She was exhausted, she said, though she didn't look it, by a fire that morning next door to her Laurel Canyon home, by the excitement of a drunk running his car over a cliff near her driveway, and by the preparations for opening night.

"I know Ben Bard," I said. "But I haven't seen him around lately. Whatever happened to him?"

"Bankrupt," replied Mrs. O'Herlihy succinctly.

I would have liked to probe this subject more thoroughly but some talkative acquaintances came up and before I knew it the buzzer was sounding for the opening curtain.

The curtain-raiser was a brief one-acter, "C For Charlie" by Robert Wehling, dealing with the hazards of running a small-town taxi service. A fast-moving comedy distinguished by the strong acting of Lee Douglas as the taxi dispatcher who averts a tragedy, it was amusing but nothing to write home about.

A Local Writer

During the intermission Mrs. O'Herlihy told me the author was a local writer and that he was somewhere in the lobby. That's how come I got the actor confused with the playwright. People were congratulating him, I assumed for his play, so when I was introduced I mumbled something pleasant about the comedy. After talking at cross purposes for a few moments, it gradually dawned on me that O'Herlihy was accepting congratulations in his role as producer and theatre owner.

He deserved congratulations for "The Browning Version," the major presentation of the evening. It proved to be a highly literate and often profoundly moving drama. It's name derives from a

ALL PROGRAMS SUBJECT TO CHANGE ● NOT NOT RESPONSIBLE FOR LAST MINUTE SCHEDULING

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Now that the heat wave is over and all of us can breathe again without huffing and puffing we will never again have any comments on the weather in our town. Or will we? Just when we think that summer is over there we are treated to some of the nicest weather one would want to swelter in. On thing—it sure gave us a chance to get our bankets done for the winter. Never saw so many blankets since the last heat wave. Well, now that that subject is finished shell we get on with the news?

Of course the main news to the men of the town is the opening of deer season in the high country. Can't say as I envy them as that was when the weather was the hottest. One of the first to leave was that crack shot LOUIE COOPER of Winchester street. He got his deer during the coast season and fully expects to do the same this time. As he hasn't returned yet I have no report on his success but will let you know next week.

Daly City has a new mailman. How these kids do grow up! Seems no time ago that BILL BRUSH JR. of Niantic avenue was just a kid who had to much to do to remember to come home and eat. Now—he delivers the mail for Uncle Sam and a wise choice Uncle has made in picking Bill. Congratulations to a fine young man on his choice of career.

Items of Interest

Starting the week off with a birthday was my friend next door, MARIE WALTON. Mike is now eleven years old and of an age to join the Scouts which he has wanted to do for a long time. He had the usual cake and ice cream for the occasion. He remembered to send a piece down to the hospital for his sister, GINGER, who enjoyed it very much. Happy Birthday, Mike, from all the folks.

Daly City had a very welcome visitor last week. MRS. IDA MANLEY of Bethel Island came to spend a few days with her sister, MRS. CATHERINE FOREMAN of Woodrow street. Of course Ida tried to catch up with many old friends here but time was limited. She had a fine time a few weeks ago when she took care of her two grandchildren, DICKIE, who is three, and RONNIE, who was two on the 4th of July. Incidentally, if any of the folks go to Bethel Island for the fishing, the place to go for bait is POP'S Bait Shop. That is where you will meet your old friend and neighbor MR. BILL MANLEY. I hear there is good fishing there, too.

Another of the folks of our town is having the time of her life. MRS. SYLVIA HILL has parked baby ANTHONY with grandma EDNA CRUZ and has gone to work for awhile. DON HILL has a new job in Los Angeles and his family will join them around Christmas time. In the meantime, grandma Edna is really having fun. From what I hear she isn't spoiling him, either.

Of all the places that seemed to draw the folks this year for their vacations the Islands seemed to be among the most popular. The latest to go, and this time by plane both ways, was MISS ELLEN REARDON of Los Olivos avenue. She was accompanied on the trip by a girl friend and the two have had just one grand time. All they had was two weeks vacation so that was the reason for the plane trip—besides they didn't want to miss anything.

Among the neighbors moving into new homes this week are the STEWARTS — HELEN and MITCH. They finally got the home they have been waiting for and are in the midst of packing and wondering just where all the stuff came from that they have accumulated over the past year. Good luck, kids, and much happiness in your new home is wished you by all the folks.

Another young men had a birthday last week. BUTCH BROOKS of Los Banos avenue has also reached the age of eleven and has scouting on his mind. He really had a nice birthday party attended by his brothers and sister and many of his friends who all came to help him celebrated the occasion. Mother Brooks didn't have such a good time as more kids showed up than she expected but isn't that always the way.

How youngsters will get into things has always been a mystery to mothers. Last week little ALICE WALTON decided to see how Hexol would taste so she proceeded to drink some. After much running around by neighbors the ever helpful Daly City Police Department was called upon and took Alice to the Junipero Serra Hospital where she had the most uncomfortable experience of having her stomach pumped. As is usual with all kids, she recovered far more rapidly than did her poor mother.

Servicemen

Seaman BILL BEECHER will be seen among his pals no more for the next two years. He left on Sept. 16th to report aboard his ship at San Diego. Pearl Harbor will be his base and he says to say goodbye to all those that he didn't have time to se before he left. He promises to write so I expect to be hearing from him before long and will pass the news plus his new APO on to one and all.

A very happy young man is PVT. JAMES J. JASTRUMSKE of the U. S. Army. He has finally been transferred from the MPs and is now in a chemical division which he likes far better. In a few months he will go to Camp Hunter Liggett with his outfit for more extensive training but we'll be seeing him before he leaves. One thing for sure Jim will know what to do if the atomic bomb ever does visit us as that will be the biggest part of his training.

Walked into the Daly City Hardware Store the other day and saw another very welcome face. Ex-U. S. Marine HAROLD MOSSMAN is now home and a civilian again and most happy about the whole thing. He's working for awhile now and will decide whether to go on to college or to jump right into an eight hour day. What ever he chooses we all wish him the best of luck.

Was glad to hear that Ex-G.I. ROBERT E. STONE formerly of the U. S. Army who has been ill is now doing much better thanks to the Veteran's Administration. He still goes for treatments but is coming along fine and it won't be long before he will be back at work again. It is good to know that the boys are not forgotten after they have done their job and we should all remember that there are many who aren't as lucky as Bob to get well so quickly. Just take a trip to any of the service hospitals and it will really be an education.

News and Views

Leaving us for awhile will be our friends the JOSEPH LARSONS of Los Banos avenue. Where are they going? Why to Boulder Creek to live of course. Joe has gotten himself a job there and he really is a happy man. He has always loved it down there and finally he is able to stay as long as he pleases. I'm sure he won't get lonely as many of the neighbors go there each weekend. Be seeing you, Joe.

Another of the neighbors is leaving us. MISS KAY MALONEY, daughter of MRS. MARIE MARKGRAF of San Jose avenue has left her job here and taken one in La Jolla 'near Los Angeles. Before leaving she was given a party by the gals she worked with at the Southern Pacific. They all went to Julien's Restaurant and surprised her with not only the farewell party but with many beautiful gifts. 'Bye for now, Kay, you'll be back. Seems like everyone tries to leave here but all come back at one time or another.

More moving vans are busy. MR. and MRS. LOU HAGLER have moved into their new home on Cambridge street. Of course the youngsters LAURIE, DEBBIE and baby brother ARLO are just as excited as thir folks are. Much happiness is wished the Haglers in their new home by all the folks.

Hear that MRS. MARGE CLARK, the well loved president of the Eagles Auxiliary, has her home up for sale. Reason being that she used to live in Santa Barbara and has an idea that she would like to go back. It won't work, Marge. You'll just have to make the return trip so you might as well stay here.

This I would like to have heard! A surprise was in store for the officers and chairman of the Eagle's Auxiliary when they attended the officer's meeting at the home of MRS. MILDRED DUNN. After the meeting they heard a tape recording of all that had been said at the meeting. Naturally it was mostly Yak,Yak.

This I would like to have seen! MRS. FRANCES NENSTEIL has set a new fashion. Seems she doesn't need a bathing suit to go swimming. At a recent weekend with friends she got tired of watching all the rest of the folks splashing around and getting cool so she goes in clothes and all. Seems to me the old fashioned suits were similar in attire to what Frances wore for her swim.

Well folks this seems to be the news for this week and it is just as well. I need a new typewriter ribbon and if I don't get one the man who has to set this up will go blind or I will get fired. Either would be most tragic. (He needs his eyes and I'd miss hearing from all of you. Until next week then, remember the phone is PL. 5-6482 and I'll be waiting to hear it ring. 'Bye now.

Jacob Is Among 24th Div. Transfers

25TH DIV., KOREA.—Pfc. John L. Jacob Jr., is among the members of the 24th Infantry Division transfered to the 25th Infantry Division.

Jacob's wife, Marjorie, lives at 124 Rice street here, while his parents reside at 389 Glenwood. Jacob entered the Army in March, 1953, and arrived in Korea last October.

The 25th is now in the process of leaving Korea for Schofield Barracks, Hawaii.

Merced Auxiliary Presents Lolly-pop Party On Sunday

On Saturday evening at 7 p.m. Lake Merced Auxiliary 9921, VFW, will hold a lolly pop party for children between the ages of 3 and 12, in the Broadmoor Village community center.

There will be movies, cookies, and ice cream for all the children. Parents are invited to leave their youngsters for two hours of comics and fun.

At the last meeting of the Auxiliary, President Anita Woods announced that the Youth Guidance Dance was a success. Funds are now available to continue with the lolly-pop parties and the monthly teen-age dances.

Sister Woods and Weible attended a skating party sponsored by the Shoreview VFW Post and Auxiliary. Plans are now being made for the VFW picnic to be held at Flood Park, Sunday. All members, guests and residents of the community are invited to bring their lunches and attend.

PLAYSCHOOL HOLDS FIRST FALL TERM SOCIAL FOR FATHERS

The Village Playschool Cooperative Nursery school was the scene Tuesday of the fall term's first social.

Sheldon Morton, father's representative, gave a brief orientation talk on what a child's needs are for nursery school, after which the fathers toured the school room to take in clay tables, easles, tumbling mats, building blocks, doll corner and in general most of the equipment used by the preschoolers.

Elaine Pelavin, the new director, was on hand to meet the fathers and answer questions. Mrs. John Roberts, social chairman, was responsible for refreshments.

Ridgely Cummings

(Continued from Page 3)

Robert Browning translation of "Agamemnon," the Aeschylus play about the Greek king who returns from the Trojan war to be assassinated by his faithless wife, Clytemnestra.

The title was appropriate on several levels and the symbolism rang true. In the modern play the deceived husband is old Crocker-Harris, a fussy and inhibited schoolmaster about to retire because of ill health. His flagrantly unfaithful wife, not satisfied with wrecking his health and his career, is apparently on the verge of killing him too.

The Browning Version

On the day of his retirement, without benefit of pension, a student gives Crocker-Harris a copy of the Browning version of the Agamemnon. The Crock had grown used to repressing all his emotions and this evidence of affection is too much for him. The gift sets off all sorts of explosions, too complicated to go into here, and the result was a thoroughly satisfactory evening in the theatre.

When Mike Neary, who gave a warmly sympathetic interpretation of Crocker-Harris, and Marilyn O'Connor, a statuesque actress who played the five-letter wife in five-letter terms, and the others had taken their curtain calls and the house lights came on, the cultured cutie grabbed my arm.

"Come on, let's get out of here," she whispered.

"What's the hurry?" I protested. "There are some friends in the audience I want to say hello to. That was a terrific performance, wasn't it?"

"It stank," she said firmly.

"What!!!"

Repeated Verdict

She repeated her verdict and was just going into detail about how it failed to measure up to the movie when we met television writer Tom Coffey, his wife, and some other cognoscenti who know a good production from a bale of hay.

The cultured cutie began to tell them what she thought was wrong with Terrence Rattigan and his play.

"Nice to see you again but I've got an early deadline to meet," I interrupted her, kicking her on the shins and propelling her toward the the door.

I dragged the cultured cutie home. En route I had to listen to some pointed remarks about my lack of discrimination. Seems I don't like dumb women and can't get along with intelligent ones.

But regardless of how wonderful Michael Redgrave was in the movie, the Hollywood production of "The Browning Version" was good enough for me. And being a writer, I get the last word.

West Portal Lutheran Sponsoring Rummage

West Portal Lutheran school's Parents Club is again sponsoring a rummage sale to be held October 4, 5 and 6, 1954, at 2166½ Sutter street from 9 a.m. to 6 p.m.

"Something old, something new" is the theme of the sale," stated Mrs. Rena Wagner, chairman of the project. "The committee feels that the variety of articles on sale will please most everyone attending the event."

Proceeds will be used to obtain further educational aids for the children of West Portal Lutheran School.

DC-COLMA LIONS TO TREK TO SOUTH CITY FOR ANNUAL BARBECUE

Daly City-Colma Lions will hold their annual barbecue Sunday at the South San Francisco recreation park on Orange avenue.

The menu includes barbecued spare ribs at 3 p.m., thick steaks, corn on the cob, beans, garlic bread, etc., at 4:30 p.m.

Lions have been urged to arrange their parties early.

Joe Belli and Elton McGraw will act as chefs.

Mrs. Walter Phillips Bayshore Chairman For PTA Carnival

Uppermost on the agenda of the Bayshore PTA executive board meeting Friday was the selection of a chairman to take full charge of the childrens carnival to be held October 29. Mrs. Walter Phillips, a new member, volunteered her services and was promised the support of all members.

Mrs. Wayne Liebert, Bayshore PTA president, read a letter of thanks from Dr. Harlin Wynns, superintendent of the San Mateo County Board of Health for a playpen and pad which was donated to the Well-Baby clinic. It was decided at the last meeting to also give the clinic a much needed bottle warmer. Mrs. Thomas McNamara, chairman of the volunteer workers at the clinic, will make the presentation at the next well-baby conference October 6.

All parents have been notified that there will definitely be a baby sitter for the next meetings. Said Mrs. Wayne Liebert, "This does not mean that your children are not welcome in the auditorium, but rather that it does provide a bit of relaxation for those mothers who wish to participate in the meetings, with the full knowledge that their children are being well taken care of by a capable member of our unit."

Bayshore school 155 Oriente street is your voting place for Jefferson High school bonds October 5. Get out early and cast your vote on this important issue.

OLPH MOTHERS TO HOLD WHIST TUESDAY

Our Lady of Perpetual Help Mother's club will hold their regular dessert whist Tuesday at 1:30 p.m. at the school aduitorium.

Chairman is Mrs. Louise Crudo, assisted by Mrs. Beatrice Kane.

Mrs. Janet Fellman will conduct the whist.

Village Notes

By Martha Pinney

Hi there! From all the notes I have gathered it seems that everyone in our village took to the hills. At least they chased all the deer to the hills.

LOUVAINE DRIVE — Among those deer hunting were Mr. and Mrs. Ray Lichtenberg and children, Rayme and Beth. They spent the weekend near Reno, Nevada, in the Sierra Nevada mountains.

Mr. and Mrs. Al Courtney went in search of deer in Plumas county.

Mr. Sam. Cheskey also joined the deer hunting but also had no luck.

Mr. Pete Rizzo and Charles Schobert hunted in Plumas county. May I add that I understand all these deer hunters live in a row on Louvaine drive. Must be catching.

Happy birthday to Charles Winter who celebrated with a family party last week.

Friends of Beverly and Jack Webb will be happy to know they are the proud parents of a baby boy, 7 lbs., 12 ounces. Beverly is the sister of Lorraine Bjorkquist who is a proud aunt.

Mrs. W. T. Woodcock of Eureka spent the weekend with the Pete Rizzos. She is Janet Rizzos mother.

Mr. and Mrs. L. C. Mortensen and Mr. and Mrs. Ralph Wingate of Crystal Lake, Ill., spent a day with the LeRoy Kruegers, while on a tour of the Western States.

Mr. and Mrs. Thomas Ganterl spent the weekend at Russian river. Hear tell they drove there in their new station wagon.

MIDWAY — Happy birthday to Mrs. Vi Murphy who celebrated Tuesday.

Congratulations to happy parents, Mrs. and Mrs. Herb Stettler, on their new baby girl born last Friday. They have three brothers awaiting her when she arrives home.

Mr. and Mrs. Jack Crofton and family spent the weekend at Russian river.

Mr. and Mrs. Gordon Stewart spent the weekend at Long Barn.

WASHINGTON — Glad to hear that Mr. Jim MacIntosh is home again and recovered after a weeks stay at the hospital.

NIMITZ — Mrs. Dale Stookey and Donna spent the weekend in San Jose visiting relatives.

Mr. and Mrs. Harvey Zaitz and Mr. Bob Fowler went deer hunting over the weekend and they got a deer. Note this Louvainites!

Dick stookey spent the weekend with former school chum and Garden Village resident Dick Faust who now lives in Belmont.

87TH — Glad to hear that Mrs. Jean Brugge is home from St. Luke's hospital.

FOOTHILL — The Miss America contest has nothing on Broadmoor. Little Cathie Leech celebrated her 8th birthday with a beauty contest. Among the contestants were Susan Sherman, Kitty Lagoria, Diane Rasmussen, Janice Williams, Marsha Hart, Nancy Dethlefson, Lynn and Ginnie Jones, Claudia and Vicky Guz, Phyllis Chiosso, Karen Guymon and sister Debbie. All the young ladies wore bathing suits and their mother's high heels. Steamers were worn such as Miss Foothill, etc. The Judges decided they were all so beautiful they couldn't decide on a winner. The day was finished with a barbeque and ice cream.

GARDEN VILLAGE — Mrs. Frank Malcewitz has returned after visit back east to visit relatives and to see her son at Annapolis Naval Academy. So long for now.

SPEECH TOPIC AT FIRST JAMES L. SNELL MEETING

More Than 200 Gather At Garden Village

The word "defective" is one which it is well to forget when handling children with speech problems, according to Miss Alfea Belli, coordinator and supervisor of speech correction of the Jefferson Elementary School district. Miss Belli, principal speaker at the first meeting of the James L. Snell PTA last week, told some 200 parents and teachers that no speech problem is serious unless worried about, and that proper application of preventive and curative measures will produce excellent results in most cases.

There are two main causes of speech problems, Miss Belli said; emotional upset, which causes stuttering and other speech distortions, and articulatory difficulties, which have a variety of causes and results.

Miss Belli stated that results of the causes listed above take the form of substitution, omission or distortion of the various speaking sounds. Speech therapy undertakes to correct these results, and there are speech classes conducted in the Jefferson Elementary School district, apart from regular classroom work, that are available to children in the District schols.

Other highlights of the meeting, held in the multipurpose room of the Garden Village school, were a talk by Mrs. Raymond Duste, president of the James L. Snell PTA, on the structure and meaning of PTA, a discussion of the bond issue for the proposed Westmoor High school by Peter Markovich, and reports from committee chairmen.

American War Mothers Group To Be Organized

Plans are now being formulated for the organization of an American War Mothers Chapter in this area.

Membership is offered to all mothers of sons or daughters serving, or who have served, the country in any branch of the service.

The American War Mothers are one of the oldest women's welfare organizations in existence, having been founded in 1917 and incorporated by act of Congress.

Any mothers interested in joining are requested to contact Mrs. M. Cristafani, JU. 7-5135, or Mrs. C. Schueszler, JU. 4-7721.

Crocker OES Holds Bazaar On Monday

Crocker Chapter, Order of Eastern Star, will hold a bazaar Monday at the Masonic Temple, Mission and Hillcrest streets.

Luncheon will be held at noon.

THIS YEAR the James L. Snell PTA has three schools to serve. Looking over plans and projects at the first unit meeting last week are (left to right): Mrs. Eleanor Zenovich, principal of the 87th Street school; Miss Marjorie Tobias, principal of Benjamin Franklin School; Mrs. Raymond Duste, president of the James L. Snell PTA; and Miss Aileen Suber, prinicpal of Garden Village School.

THE RECORD photo

DC Garden Club Aids Blood Band With Landscaping

Landscaping of the grounds of the new Peninsula Memorial Blood Bank is nearing completion as a result of scores of donations of materials and work by garden clubs and other organizations and individuals.

Some of those who have contributed supplies, materials and labor include: Daly City Garden club, Women's Club of San Carlos, The Rake Hoe and Spade club, Civic Garden club of San Carlos, Garden Section of the Belmont Newcomers club, Emerald Lake Garden club ,Hillsborough Garden Crafters, Garden Study club of the Peninsula, Kerr-Lagen Seed Co., San Mateo County recreation commission and Order of Eastern Star, Palo Alto.

Carl L. Hoag, M.D., president of the Blood Bank, expressed the appreciation of the board of trustees of the bank for the excellent cooperation in completing this phase of the new building without cost to the blood bank.

The Blood Bank is located on the Mills Estate in Burlingame and serves all hospitals on the peninsula.

WOODROW WILSON PT AHOSTS FACULTY AT RECEPTION

On Tuesday evening a faculty reception was held at the Woodrow Wilson school. Mrs. Hahn introduced the teachers and highlighted their outside interests. Mrs. Otis Simonsen, member of the speakers committee for the coming high school bond election, spoke on the importance of putting over the campaign so the young children can look forward to full-day sessions upon entering high school.

Mrs. F. Klassen, membership chairman announced that the membership campaign will be held October 4 thru October 15.

December 3 was set for the annual bazaar. Following the meeting refreshments were served by the executive board.

During the past week Mrs. F. Cunningham, president, and Mrs. R. Vasanaugh, parent education chairman, attended 17th district meeting at McKinley school, Burlingame.

The next executive board meeting will be held October 5 at the home of Mrs. M. Kerekes.

Brisbane Circle Eight To Hold Square Dance

Al Patten and Bill Roberts will act as masters of ceremonies for the Brisbane Circle Eight Square Dance party Saturday night, October 2.

The affair will be held in the Brisbane school auditorium beginning at 8:30 p.m. All square dancers are welcomed, according to A. Grabosky, secretary of the club.

MORE THAN 500 ATTEND VFW GUIDANCE DANCE

More than 500 people attended the last VFW Youth Guidance Dance. Chairman Godfrey Woods announced that Frank Tringali of 116 Flournoy street, Daly City, won the 1st prize of a $100 U. S. Savings Bond.

Teenager John Gustafsen, of 1832 Louvaine drive, Broadmoor Village, was the winner of the second prize of a $50 bond.

Third, fourth and fifth prizes, which were $25 U. S. Savings bonds, were won by Mrs. Leila V. Johnson of 1732 Louvaine drive, Broadmoor Village; Mr. Ed Evans Jr. of 1617 Manzanita drive, Belmont; and Louis Bennet of Brisbane. Members of the post and auxiliary thanked all who participated with us in helping make this dance a huge success. Special mention went to members of the Daly City recreation commission for their splendid assistance and to members of the Daly City police department for their help. Commander Dunn invites everyone to attend next years dance and plans are now being made for a bigger and better V.F.W. Dance in 1955, the post announced.

OLPH HOLY NAME SOCIETY TO ENROLL SUNDAY

OLPH Holy Name society will accept enrollments of all Catholic men of the parish on Sunday, thus conforming with the drive of the Archdiocesan Council of Catholic Men to make every Catholic man a member of the Holy Name society.

There will be a general Communion of all men of the parish on Sunday, October 10, at the 8 o'clock Mass.

The local society is directed by Rev. James Bergin, pastor of Our Lady of Perpetual Help church. Walter Murphy is president; Rip Harrison, vice president; Cyril Sprengelmeyer, secretary; Fred Klingler, treasurer. Bill Carrington and Roy Thomson are comonitors.

HAYWARD NAMED

Hayward, located in Alameda County in California, is reported by the National Automobile Club to have been named after William Hayward, an early pioneer who opened a hotel there in 1852.

Health Workshop For PTA Chairmen Set Next Wednesday

A health workshop for PTA health chairmen in northern San Mateo county will be held Wednesday at 9:30 a.m. at the home of Mrs. L. W. Silberstein, 157 Wilshire avenue, Daly City. Mrs. Silberstein is health chairman for Hillside PTA.

Since the PTA health program is primarily educational, the workshop will acquaint health chairmen with health resources in their communities and with ways in which they may assist their school nurses and the parents and children in their schools. Questionnaires recently sent to health chairmen will provide the basis for discussion. The workshop will be conducted by Mrs. Gregory Davis, health director for the Seventeenth District, California Congress of Parents and Teachers, and Irene De Sarmo, San Mateo county health education consultant, assisted by Mrs. A. W. Lauffenburger and Mrs. J. M. Foley.

Among health chairmen who are planning to attend are Mrs. Henry Filarski, Bayshore and Jefferson Union High; Mrs. Michael Nagy, Brisbane; Mrs. Dewey Bell, Buri Buri; Mrs. Harry J. Reggar, Colma; Mrs. Raymond McDaniel, El Rancho; Mrs. R. Gilmore, General Pershing; Mrs. Harold Ward, Green Hills (Millbrae); Mrs. B. F. Vedder, Laguna Salada (Sharp Park); Mrs. Jack Brady (Moss Beach-Montara) Staney Schember, Pacific Manor; Mrs. H. A. Cavassa, South San Francsico High; Mrs. Harold Beeson, Taylor Boulevard (Millbrae); Mrs. Robert Colburn, Westlake.

Health workshops are also scheduled in San Mateo Monday noon and in Menlo Park Wednesday afternoon.

Many Visitors On Hand For Old Glory Auxiliary Meeting

Old Glory Auxiliary No. 2044, American Legion, held their monthly meeting Friday as Myrtle Klock, district president of San Juan Bautista, was on hand to inspect the local group.

A good attendance was reported and several visitors were on hand. They were: Mary Rudd, president, San Mateo-Santa Clara Counties Council; Anita Woods, president, Lake Merced Auxiliary; Lorraine Turla, president, Tanforan Auxiliary, San Bruno; Genevieve Clark, Alice Foulkas and Kay Willard, Redwood City; and Georgette Carter of Hollister.

Verna Healy was initiated into the local Auxiliary.

Following the meeting, refreshments were enjoyed with the Post at Little Italy hall.

There are three summits on Mt. Rainier: Liberty Cap to the north, elevation 14,112 feet; Point Success to the south, elevation 14,150 feet; and Columbia Crest to the east, elevation 14,408.

COLMA PTA MAPS FIRST BAZAAR IN EIGHT YEARS

November 19 and 20 have been established as the dates for the Colma PTA bazaar.

Mrs. Andrew Castle, chairman, announced that the bazaar will begin at noontime with a hot dog sale for the children of both schools.

At R. S. Thornton the doors open from 3 to 5 p.m., closing for dinner, and re-opening again from 7 until 10 p.m.

On Saturday the bazaar will run all day long until 9 p.m.

Being the first bazaar to be held by the Colma PTA in eight years, Mrs. Castle has planned many activities and hopes for a sizeable turnout.

Games of skill, cake walks, fortune telling, selling of grab bags, aprons and plants will be held.

California produces more than 50 per cent of the entire United States crop of asparagus.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read I Corinthians, Chapter 13.

Now abideth faith, hope, love, these three; and the greatest of these is love. (I Corinthians 13: 13. ASV.)

Several days ago I read an article by Mr. Kim Kisong in the Korean Survey. He tells about climbing a mountain and finding a soldier of another country. The soldier had died of wounds received in combat.

As Mr. Kisong looked at the body lying dead on foreign soil with no friend and no family to give it proper burial, he says he himself began to look upon the departed one as his friend. He spent the night removing the body and preparing a grave beside his own father's grave . Although in life the soldier was unknown to Mr. Kisong, he buried the body with the same honor and respect he would pay to a close relative.

Love, Christian love, is unselfish. Do we, for love's sake, forget ourselves as Mr. Kisong did? He knew that he would be killed if he were caught burying this soldier. It is not always easy to be loving and to show forth that love, but we must make Christ's way a part of our everyday life.

PRAYER

O Thou who are love, help us to love Thee. Help us to love our fellow men as Thou wouldst have us to do. Teach us to give ourselves in unselfish service. In Jesus' name. Amen.

THOUGHT FOR THE DAY

God is love, and His love in us makes Christian fellowship possible.

In Sook Moon (Korea)

Home Coming Day Sunday For Vista Grande Christians

It is home coming day at the 101 Vista Grande Avenue Christian church next Sunday.

Sunday school will be at 9:30 o'clock and the church service at 10:55. Dr. Howard Patrick McConnell, minister of the church, will speak on the subject "These Changing Times." It is World Communion Sunday. The church has designated Sunday as Home Coming Day.

The Rev. Clifford Jope, minister of the First Christian church of San Francisco, will speak at a covered dish dinner meeting tonight (Friday). The dinner is at 7 o'clock, and Mr. Jope will speak at eight.

Church officers meet on Tuesday evening with Everett Allen in the chair, to discuss ways and means of further accommodating the church building to the needs of a growing congregation. A new baptistry is to be installed within the month.

A choir of twenty voices is meeting in rehearsal each Thursday evening under the direction of Mrs. Edna Myers.

The church is very proud of its well-equipped nursery which provides for the care of small children during both Sunday school and church services.

LUTHERAN LADIES SLATE MEETING

There will be an important and interesting meeting of Hope Lutheran Ladies Guild at 8 p.m. on Wednesday, October 6, at the home of Mrs. M. Janssen, 1707 Louvaine drive in Broadmoor Village.

Pastor Marting will continue his very thought-provoking discussion of the various American churches in relation to the teachings of the Bible. The business meeting will be presided over by Mrs. M. Moreno, after which there will follow a social hour when refreshments will be served.

The Stewardship Circle of the Guild with Mrs. E. Tayler as its chairman is busily planning a bazaar which will be held by this group early in November at the community center in Broadmoor.

YOU ARE CORDIALLY INVITED TO ATTEND

9:30 A.M. Sunday School and Bible Class

PASTOR URGES ATTENDANCE AT COMMUNION

Presbyterians Join Worldwide Observance

Broadmoor Community Presbyterian church members have been urged by Pastor John A. Glasse to attend services this Sunday in observance of Worldwide Communion.

Sacrament of the Lord's Supper will be administered and Christian friends not members of the church are also cordially invited, the pastor said.

New members of the congregation will be received at 11 a.m. this from other churches or on profession of faith if already baptised, or by baptism if never previously baptised. All interested persons are invited to contact the minister at their early convenience for conference at PL. 5-1334.

Baptism for children and adults will be administered Sunday at the 11 a.m. morning service.

Monthly meeting of the church's Women's association will be held Monday at 8 p.m. at the church. The minister will be guest speaker. His address will be on the Evanston Assembly of the World Council of Churches. All women are invited to attend.

Broadmoor Auxiliary Resumes Pot Lucks

Broadmoor American Legion Auxiliary 824 will resume their pot luck dinners at the Broadmoor community center starting at 6:30 a.m. Saturday.

The dinner will be a community affair with the public invited to attend.

The pot luck will be held first Saturday of each month with each family bringing a hot dish or salad large enough to take care of their needs.

PLANS UNDERWAY FOR BROADMOOR ANNUAL BAZAAR

Plans are underway for the annual bazaar of the Women's association of the Broadmoor Community Presbyterian church.

The theme this year will be "The Country Store," announced co-chairmen Mrs. LeRoy Krueger and Mrs. James Nourse.

The bazaar, to be held on November 4 and 5, will feature a dry goods department with Mrs. Lamont Sundman as manager; an apron booth with Mrs. Joseph Warmoth, chairman; variety store, Mrs. H. Z. Weible; Grandma's pantry shelf, Mrs. C. D. Tarleton; wishing well, Mrs. Robert Gardner; post office, postmistress, Mrs. Collins Orton; lunch counter, Mrs. Roy Clemons; attic treasures, Mrs. Laurence Long; Christmas cards, Mrs. Charles Nichols; and florist, Mrs. James Fairbanks.

Decoration of the booths will be done by Mrs. Henry Suenderman. A dinner will be served under the supervision of Mrs. William Nye and Mrs. Vic Guz will be in charge of the dining room. Other features will include movies and games for children and fortune telling.

BOYS, GIRLS CLUBS FOR B'MOOR CHURCH

"Trailblazers" and "Pathfinders" are the respective names of the new boys and girls clubs organization by the Broadmoor Church of the Nazarene, Washington and Edgeworth streets, Broadmoor.

According to the Rev. L. W. Coey, pastor, the children have become "very enthusiastic" about the club although it has only been in existence two weeks.

The church is encouraging boys and girls from ages 8 to 15 to meet with the clubs each Saturday at 10 a.m.

Activities include singing, crafts, hiking, fishing, recreation and other pastimes enjoyable to children. All children of the community are invited to join the clubs.

The Sunday school is taking on a new "Back to Sunday School" emphasis and the church has just begun a new feature for the coming months. The innovation is the presentation of a series of picture films each fourth Sunday. These pictures are a presentation of the "Stories of the Greatest Book."

Merced Scouts Preparing For Mass Tree Planting

Over 320 Cub Scouts, Boy Scouts, and Explorers from the Lake Merced District are getting ready for the first mass tree planting by a volunteer organization in San Francisco history when they stage their big Conservation Good Turn Day on Saturday, Oct. 2, Carl F. Wente, chairman of the S. F. Boy Scout Council's conservation committee, announced today.

This big citywide conservation project in which 2,000 San Francisco Scouts will participate acts as a prelude to the opening of the forthcoming fund raising campaign of the United Crusade, which supports the Community Chest of which the Boy Scouts is a member agency.

Armed with shovels, rakes, picks, pruning shears, and buckets, the Scouts will form into squads early in the morning and work through the day in 24 different locations earmarked by the Park and Recreation Department as needing special attention, Mr. Wente, said.

The Scouts' assignment will include the planting of over 1000 young trees in sparse areas, clearing away debris and brush from cluttered areas, resetting rock walls, raking beaches, and generally sprucing up the appearance of San Francisco's public grounds, he explained.

Cub Scouts, Boy Scouts and Explorer's participating in the project from the Lake Merced District are:

T-88, sponsored by Forest Hill Association; T-50, Pilgrim Congregational Community Church; T & P-340, Lake Merced Parents' Club; T-143, Southern Pacific Post No. 432, American Legion; T-345; T-243; P-104, West of Twin Peaks Post No. 233, American Legion; P-61.

HILLSIDE PARENTS MEET NEW TEACHERS

The first unit meeting of the Hillside PTA for the fall term was held last week at the Colma school in the newly-completed multi-purpose room.

Mrs. Harry Bosberry, unit president, introduced the new principal, Hillard Alfson, to the large group of parents on hand.

Alfson in turn introduced faculty members, many of whom are new to the district. This year the school has grades from second to eighth and the largest faculty in its history.

At conclusion of the meet, parents had the opportunity of meeting their child's teacher and getting acquainted over coffee, sandwiches and cookies prepared by executive board members, hostesses for the evening.

ROSARY NOW BEING CONDUCTED AT HOLY ANGELS

Continuous Rosary before the Exposed Blessed Sacrament is now being held at Holy Angels church in Colma each first Friday of the month.

Rosary starts following the 7:30 a.m. Mass and continues until Evening Devotions and Benedictions at 7:30 p.m.

All Catholics are urged to participate in this Devotion by making a short visit during the day.

Stark Reappears To Hit Teresa Terrace Rezoning

Zoning of Teresa Terrace to commercial, already a thing of the past as far as the city is concerned, was the topic of discussion again Monday night as an irate homeowner, Louis Stark, 880 Lausanne avenue, put in another appearance.

Stark asked that a new petition protesting the council's re-zoning of two weeks ago be entered into the minutes.

"I'd like to have it on record that there were many protests to this action," said Stark.

"The residents in my neighborhood who were contacted on the petition were shocked to hear that the city council had approved this matter in direct opposition to the people concerned," Stark continued.

Mayor Joseph Verducci answered that, "We did everything required by law to inform the people of this action."

He added that it was impossible to insert the petition in the minutes after the hearing had already been closed.

However, city attorney Frank Blum said the petition could be placed on file at the city clerk's office for the public record.

Stark brought up the spot rezoning again, claiming that it was reminiscent of the "middle ages."

Verducci answered that, "We heard all this from you last week, Mr. Stark," and the matter was closed.

URGE RE-ACTIVATION OF CIVILIAN DEFENSE

"We've got to get busy if we're ever going to have a disaster program here," Mayor Joseph Verducci told the council last week.

Reporting on his attendance at the recent meeting of municipalities on the civilian defense topic, Verducci explained that, "It's the job of the individual cities to protect themselves in times of defense or disaster. The county and state can't be expected to provide this service."

Of first importance, Verducci said, is the appointment of someone to organize and direct the local program.

City Administrator Dan Andersen said he would contact local residents who might be able to handle the job.

Verducci went on to explain that some cities have purchased mobile units from the state for use in an organized disaster program.

The vehicles can be used almost every night for training purposes, he continued.

According to Verducci, the federal government will finance purchase of the mobile unit if it is used under direction of state civilian defense department.

REC GROUP DISCUSSES DOELGER ANNEX

Effect of the proposed 440-acre Doelger property annexation on Daly City's recreation was taken up by the recreation commission at their meeting Tuesday night.

Carl W. Timmons, engineering officer from the Doelger firm, appeared to show maps of the proposed 3000-home area and estimated that there would be 3.7 persons per home.

The commission will hold further meetings on the annexation question to determine what the city's recreation needs will be when the development is completed.

In other business Monday the commission gave their wholehearted backing to a reception for Don Mossi, Cleveland Indian relief pitcher. The event will be planned as soon as Mossi informs the commission when he will arrive in Daly City.

The commissioners approved a request from Babe Holmgren of the post office department to use the north wing of the community center for parcel post delivery between December 15 and 27.

A meeting between the commission and local school boards to discuss recreation was proposed at Tuesday's session.

OBITUARIES

Marguerite Grant

Last rites were held for Mrs. Marguerite Grant, 58, Box 245 Collins avenue, Colma, on Wednesday, September 27. She passed away at Millbrae Sanitarium on Tuesday, September 28.

She is survived by her daughter, Mrs. Betty Prentice, and brother George Bucknam of San Diego. She leaves seven grandchildren.

Services were conducted from the mortuary of W. C. Lasswell Co. Cremation was at Cypress Lawn Memorial Park.

Brigid Collins

A Requiem High mass was held at Our Lady of Perpetual Help church on Tuesday, September 28, for Brigid (Josephine) Collins, 62, of 154 Shakespeare St. She died in San Francisco on September 25.

She was the wife of the late George W. Cillins; the mother of Joseph and Joan Collins and Mrs. Mary Dunne. She leaves four grandchildren.

A native of County Kilkenny, Ireland, she was a member of the Third Order of St. Francis and Court St. Mary No. 1155 Catholic Daughters of America.

Services were held from the mortuary of W. C. Lasswell and Co. Interment was at Holy Cross cemetery.

William Merciano

Funeral services will be held today (Friday) at 8 a.m. for William Merciano, 45, 512 Vista Grande avenue, who passed away at Mary's Help hospital in San Francisco on Thursday, September 23.

He is survived by his wife, Mary Merciano, and is the father of Mrs. Dorothy McKilly and Mrs. Betty Wallin. He is the brother of Mrs. Connie Schwartz.

He was a member of the United Packing House Workers of America, Local 263.

Services will be conducted from the mortuary of W. C. Lasswell and Co. A Requiem High mass will follow at Our Lady of Perpetual Help church. Interment will be at Holy Cross cemetery.

RE-LOCATION SKYLINE NEARS COMPLETION

Relocation of 2.3 miles of Skyline boulevard south of Alemany extension in Westlake neared completion this week, state division of highways reports.

Widening of the two-lane thoroughfare to four lane has been completed. Although only two lanes are now open, Bill Travis, district construction engineer, estimated that all lanes would be open to traffic by next month.

The $630,000 project has been in progress a year now, starting in September, 1953.

The relocation work marks the first stage in eventual re-construction of the entire highway.

According to Travis, "The relocation provides a modern, divided freeway that is much safer to travel."

The re-location work extends to Edgemar road. Future planning by the state calls for a modern connection between Skyline and the coast highway in the vicinity of Sharp Park.

Travis indicated that the "tremendous" subdivision developments in western Daly City, down the Peninsula and in the coastside area made necessary the relocation.

"We had to get the highway in before the entire area was covered with residential development," Travis said.

The state's highway budget comes up next month and first on the agenda is re-locating the section of Skyline from Alemany extension in Daly City north to San Francisco city limits.

Display Various Crafts Of Village Youth Council

There will be a display of various crafts made during the summer by the students at the arts and crafts classes sponsored by the Village Youth Council as part of its summer recreation program at Garden Village School grounds.

The crafts will be on view in the window of Berning's Men's Store in the Broadmoor shopping center from Thursday, October 7, through Wednesday, October 13, according to Mrs. R. N. Flint, director of the summer crafts program.

Young Republicans Launch Vigorous Election Campaign

Close to one thousand Young Republicans, "fired with enthusiasm" after a recent meeting of officers of the various chapters, will be vigorously campaigning between now and November 2nd, for the re-election of Congressman Art Younger and Assemblymen Dick Dolwig and Dan Creedon, according to Louis Francis, president of the county-wide group.

"Telephoning the voters to make sure they visit the polls on election day will be our main responsibility," Norman P. Adler of Colma, president of the North County chapter, said today. "Members of this chapter expect to contact every Republican voter from the north county line to the southern border of South San Francisco," Adler stated.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory thereof and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so countersigned, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the limit hereinabove specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinabove provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collection of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the State Treasury, and deposited in the General Fund, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and when-ever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of '1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

TIME HAS COME FOR SM COLLEGE GRIDDERS

The time has come. College of San Mateo gridders go south this weekend to open their 1954 season at Orange Coast College Saturday night. Coaches Duane Whitehead and Herb Hudson will have eleven veterans ready for service that night and a capable group of freshman players on the squad. Eight county high schools, Jefferson, South San Francisco, Capuchino, Burlingame, San Mateo, Menlo-Atherton, Sequoia, and Half Moon Bay, as well as high schools in the surrounding counties, are represented in the Matean squad. Mike Laramie, John Madden and Len Monson are the Jeff Representatives.

MORE THAN 500 SIGN UP FOR CONCERT GROUP

Contracts Signed For Three Attractions Here

Officers and workers of the Vista Grande Community Concert association were treated to a double reward when they met at the home of President Thomas E. Brewer on Saturday. First of these was the announcement by Brewer that over 500 residents of the area had joined the association during the campaign just completed for members. Final tabulations on the campaign will be completed by officers this week.

Second surprise and highlight of the afternoon meeting was the arrival of Ward French, president of the Community Concerts, Inc., of New York. French, who was in the Bay Area on business, attended the meeting to extend his personal greetings and to welcome the newest association to the organization which he founded over 30 years ago. During the years, the organization has grown under his leadership and today has local associations in over 1000 cities across the country, over 100 in California alone.

These local associations, under his guidance, have been able to bring to their members concerts of a calibre that heretofore they had been able to attend only in the music centers of the country, Brewer said. Accompanying French were Mr. and Mrs. Corlett, who are officers in the Burlingame Community Concert association. They also extended their congratulations to the local association on the completion of their first successful campaign.

Miss Alma Lauritzen, field representative of Community Concerts, Inc., who has been working with the local group during their campaign, expressed her thanks for their cooperation and personally added her endorsement of the new association by joining.

Contracts were signed during the meeting for the three attractions to be presented here, but no announcement as to their identity was made pending confirmation from New York as to their availability.

Adult Swimming Class Opens At Jefferson

An adult swimming class opens Wednesday night at Jefferson High school.

The program will be conducted from 6:30 to 7:30 p.m. for five successive Wednesdays.

Entrance fee is $3.

Only a limited number will be able to enter the class, said director Mike Orlich.

Ordinance No. 399

AN ORDINANCE DECLARING INTENTION OF THE CITY OF DALY CITY TO VACATE PORTIONS OF PUBLIC STREETS AND FIXING TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED VACATION

WHEREAS, the City Council of the City of Daly City is informed that portions of certain streets known as Del Monte Way and Roosevelt Avenue in said City hereinafter described are unnecessary for present or prospective public street purposes, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941, vacating said portions of said streets;

NOW, THEREFORE, the City Council of the City of Daly City does ordain as follows:

Section 1. It is the intention of said City Council to vacate portions of those certain streets known as Del Monte Way and Roosevelt Avenue in the City of Daly City, County of San Mateo, State of California, and particularly described as follows:

1. All of Del Monte Way as shown upon the map entitled "Map of the Crocker Estate Tract, Subdivision No. 2," filed in Book 8 of Maps at page 3, San Mateo County Records.
2. A portion of Roosevelt Avenue lying between the Southerly line of Templeton Avenue and the Northerly line of Crocker Avenue, all as shown on the map entitled "Map of the Crocker Estate Tract, Subdivision No. 2," filed in Book 8 of Maps at page 3, San Mateo County Records.

Section 2. The City reserves and excepts from the vacation the permanent easement and right at any time, or from time to time, to construct, maintain, operate, replace, remove, and renew sanitary sewers and storm drains and appurtenant structures in, upon, over and across any street or part thereof proposed to be vacated and pursuant to any existing franchises or renewals thereof, or otherwise, to construct, maintain, operate, replace, remove, renew and enlarge lines of pipe, conduits, cables, wires, poles, and other convenient structures, equipment and fixtures for the operation of gas pipe lines, telegraphic and telephone lines, railroad lines, and for the transportation or distribution of electric energy, petroleum and its products, ammonia, water, and incidental purposes, including access and the right to keep the property free from inflammable materials, and wood growth, and otherwise protect the same from all hazards in, upon and over the street or part thereof proposed to be vacated.

Section 3. Reference is hereby made to the maps on file in the office of the City Clerk of the City of Daly City for particulars as to the proposed vacation.

Section 4. Monday, the 25th day of October, 1954, at 8:00 o'clock P.M. of said day, in the Council Chambers in the City Hall of the City of Daly City be, and the same is hereby fixed as the time and place for hearing all persons interested in or objecting to said proposed vacation.

Section 5. Notices of street vacation shall be posted conspicuously along the line of the portions of said streets so proposed to be vacated. Such notices shall be posted not more than 300 feet apart, but at least three shall be posted, and such notices shall state the passage of this Ordinance of Intention and the time and place of hearing thereon.

Section 6. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested and, if said City Council then finds from all the evidence submitted that such portions of said streets are unnecessary for present or prospective public street purposes, said City Council will make its Order vacating said above-described portions of said streets.

Section 7. This ordinance shall be published once in The Record, a newspaper published weekly in said City of Daly City, California, and hereby designated for that purpose, and shall take effect and be in force at the expiration of thirty (30) days from and after its passage.

Introduced this 14th day of September, 1954.

Passed and adopted as an ordinance of the City of Daly City the 27th day of September, 1954, by the following vote:

AYES, Councilmen: DeBernardi, Dennis, Vickers, Wilson, Verducci.
NOES, Councilmen: None.
ABSENT, Councilmen: None.

NOTICE OF IMPROVEMENT 90th Street, Et Al Project No. 54-1

NOTICE IS HEREBY GIVEN that on the 28th day of June, 1954, the City Council of the City of Daly City, California, adopted its Resolution of Intention No. 1996 wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Council to order the following improvements, to-wit:

The improvement of 88th Street from Edgeworth Avenue to Junipero Serra Boulevard, 89th Street, 90th Street and 91st Street from the easterly line of Broadmoor Village to Junipero Serra Boulevard, and Edgeworth Avenue and Sullivan Avenue from 87th Street to 91st Street by grading and constructing therein sanitary sewer mains, standard manholes with cast iron frames and covers, where not already constructed to proper line and grade, sanitary sewer laterals, storm water drains and appurtenances, water mains, fire hydrants and appurtenances, concrete curbs, gutters and sidewalks, crusher run base pavement with plant mix surface pavement, and all work auxiliary thereto necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the City Council and on file for public inspection in the office of the City Clerk of said City.

There is to be excepted from the work hereinbefore described any of such work already done to line and grade and marked excepted or shown not to be done on said plans, profiles and specifications.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished work to a grade different from that formerly existing, and that to said extent said grades are hereby changed and that said work will be done to said changed grades.

Said contemplated improvements, in the opinion of the City Council of said City, are of more than local or ordinary public benefit, and said Council does hereby make the costs and expenses thereof chargeable upon an assessment district, which district said Council declares to be the district benefited by said improvements and to be assessed to pay the costs and expenses thereof, the exterior boundaries of which are the coterminous exterior boundaries of the composite and consolidated area consisting of Lots 20 through 35, inclusive, of Block 1, Lots 14 through 35, inclusive, of Block 2, Lots 14 through 35, inclusive, of Block 3, Lots 14 through 35, inclusive, of Block 4, Lots 14 through 24, inclusive, of Block 5, Lots 1 through 24, inclusive, of Block 6, Lots 1 through 48, inclusive, of Block 7, Lots 1 through 48, inclusive, of Block 8, Lots 1 through 48, inclusive, of Block 9, Lots 1 through 48, inclusive, of Block 10, Lots 1 through 9 and 60 through 68, inclusive, of Block 11, Lots 1 through 9, inclusive, and 36 through 48, inclusive, of Block 13, Lots 1 through 10, inclusive, and 40 through 48, inclusive, of Block 14, and Lots 1 through 9, inclusive, of Block 15, all in Seventy-Five Dollar Lot Homestead.

The estimated cost of said project is $188,967.00.

Notice is hereby given that serial bonds to represent the unpaid assessments, and bear interest at the rate of not to exceed six per cent (6%) per annum, will be issued hereunder in the manner provided in the Refunding Assessment Bond Act of 1935 as modified in the Municipal Improvement Act of 1913, the last installment of such bonds shall mature fourteen (14) years from the second day of July next succeeding ten months from their date.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913. Reference is made to proceedings had pursuant to Division 4 of the Streets and Highways Code, on file in the office of the City Clerk.

Notice is further given that the City Engineer of said City, pursuant to said Act and said Resolution adopted pursuant thereto, did on the 14th day of September, 1954, file with the City Clerk of said City his report in writing on said improvements, consisting of plans, profiles, specifications, estimate of costs and expenses, diagram and assessment, and that said Council did on said date consider and examine said report, and by resolution preliminarily approved and confirmed it as filed, and ordered that said report stand as the report for the purpose of all subsequent proceedings had pursuant to said Resolution of Intention, to all of which reference is hereby made for further particulars.

NOTICE IS FURTHER GIVEN that Monday, the 25th day of October, 1954, at the hour of 8:00 o'clock P.M. of said day, in the Council Chambers, City Hall, Daly City, California, are the time and place appointed and fixed by said Council when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, and when and where it will hear all protests in relation to said proposed improvements, or to the grades at which said work will be done, or to the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment for the costs and expenses thereof, and that any person interested may file a written protest with the City Clerk of said City at or before the time set for the hearing referred to herein.

Dated: September 20, 1954.

B. C. ROSS
City Clerk of the
City of Daly City
(Pub. Sept. 23, 30, 1954.)

LOCAL STUDENT AT CALIFORNIA POLY

SAN LUIS OBISPO, Sept. 28.—Enrollment is expected to reach the 2700 mark at California State Polytechnic college, officials announced this week.

Among the new students will be Lorentz Nelson from 199 Bismark street, Day City. He is majoring in Architectural Engineering.

More than 1100 of those registering are new students from all sections of California. New students also are from 32 states and 16 foreign countries.

College officials expect old student enrollment to be close to 1500 with more than 50 graduate students also enrolling for the fall quarter.

LETA MAY SULLIVAN, a person Who Should be Declared Free from the Custody and Control of her Parent.

THE PEOPLE OF THE STATE OF CALIFORNIA, to LEONARD RILEY SULLIVAN, GREETINGS:

YOU ARE HEREBY CITED to be and appear in the Superior Court of the State of California, Juvenile Department, in and for the County of San Mateo, at the office of the Presiding Judge of said Court, at the Court House, in Redwood City, California, on Wednesday, November 10th, 1954, at 1:30 P.M., of that day, then and there to show cause, if any you have, why the petition of Eugene Victor Phelps and Verlie M. Phelps to have Leta May Sullivan declared free from the custody and control of you, her father, should not be granted.

BY ORDER OF SAID SUPERIOR COURT
At Redwood City, California,
Dated: August 6, 1954.
ATTEST my hand and seal of said Court the day and year last above written.

LEGAL ADVERTISING

NOTICE OF TRUSTEE'S SALE

No. 425909

On THURSDAY, the 14th day of OCTOBER, 1954, at the hour of 11:00 o'clock A.M., of said day, at the main entrance to California Pacific Title Insurance Company at No. 2424 Broadway, in the City of Redwood City, County of San Mateo, State of California, CALIFORNIA PACIFIC TITLE INSURANCE COMPANY, a corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of San Mateo, State of California, and described as follows, to-wit:

Lot 18 in Block 11, as designated on the map entitled, "TRACT NO. 582 PACIFIC MANOR MAP NO. 2 SAN MATEO COUNTY, CALIFORNIA," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on August 20, 1947, in Book 27 of Maps, at page 49.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by HAROLD P. GRIFFETH and ANN S. GRIFFETH, his wife, trustors, to CALIFORNIA PACIFIC TITLE INSURANCE COMPANY, a corporation, as trustee, for the benefit and security of JOSEPH W. JOHNSON and AMELIA JOHNSON, his wife, dated December 12, 1950, and recorded August 29, 1951, in the office of the County Recorder of the County of San Mateo, State of California, in Liber 2121 of Official Records of said County at page 342 (Series 56800-J).

Dated September 8, 1954.

CALIFORNIA PACIFIC TITLE INSURANCE COMPANY,
a corporation, as trustee
by Aileen Bette, Its Assistant
Secretary.

(Pub. Sept. 16, 23, 30; Oct. 7, 1954.)

CHAMPIONS are these members of the Daly City Midgets, who annexed the 1954 Midget league championship just concluded. They are (first row, left to right) Dennis Herzo, Vic Kulik, Jim Fair, Jim Walsh and Mike Roval; (second row) Barry Krohn, Rich Morales, Jim Kollman, George Claus and Billie Kane; (back row) Harry Krohn, manager; Lowell Creighton, manager; and Mr. Morales. Team members not shown in photo are James Greene, Maurice Clark, Bill Ellis, Jim Hennesey and Allan Fabarez.

CENTRAL & EAGLES LEAD LOCAL KEG LEAGUE

Vince and Fred and 101 Club got eased out of first spot in the Daly City-Colma Bowling league at Brentwood Tuesday as they suffered a pair of setbacks apiece.

Taking over the top post after the third week of play were Central Club and Daly City Eagles, each with 7-2 marks. The two leaders copped three games each Tuesday.

Vince & Fred got dumped a pair by Thur Meat, while 101 Club's duo of losses came at the hands of William Lagomarsino & Co.

Bob Melani rang up high individual series this week with a 638 trio, while George Curry notched a 242 for high game.

Teams leading in high series to date are Paul's Flowers, 2734, King's Market, 3678, and Vince & Fred, 2612.

High team game is held by Walters, with a 956, while Paul's Flowers, 951, and William Lagomarsino & Co., 948, are runners-up.

SEEK TITLE BOUT REFEREE AT FIRST OLPH FIGHT NIGHT

Negotiations are underway to secure Frank Brown, referee for the recent Olson-Castellani title bout, to handle the first OLPH Men's olub fistic presentation on October 28 at the local community center.

All participants in the monthly fight programs will be from Amateur Athletic Union ranks, and all timekeepers, referees and judges will be licensed by the athletic commission, emphasized Bob Lynch, promotion chairman for the bouts.

No fighters have been lined up as yet, Lynch announced, but the combatants will probably be named about two weeks before the initial fight car on October 28.

The tiny sloop, Gjoa, in which Captain Ronald Amundsen pioneered the Northwest Passage, is preserved as a memorial in San Francisco's Golden Gate Park.

PLENTY OF ROOM IN BLEACHERS AT TODAY'S JEFF GAME

Students and other spectators at today's Jefferson-Serra football game will find ample room in the new bleachers installed this summer on the Jefferson campus.

Jefferson fans, who will occupy the west bleachers, will find room for 1100 spectators. The visitors have been provided with new bleachers which seat 400.

In the near future a cement slab will be placed under the bleachers and they will be enclosed to provide storage room for athletic equipment. Also, at the south end of the west bleachers restrooms and a booth for selling food will be constructed.

Mayor Verducci's Gators 'Snap' --- Nevada Finds Out

Despite what appeared to be crippling losses due to ineligibility rulings and injuries, State's Golden Gators put on a third quarter, four touchdown barrage against Nevada at Reno Saturday night, to defeat the Wolfpack, 39-19.

Daly City Mayor Joe Verducci (who coaches the Gators) proved to be a prophet when, earlier in the season he claimed that the 1954 State team could be the most explosive eleven in Gator football history.

Trailing 13-0 with only ten seconds left to go in a listless Gator first half, State quarterback Hoot Ellis shot a 27 yard touchdown pass to half Jim "Ta" Boggan.

This seemed to ignite a dying spark in the entire squad, because they shed their sheep skins between halves and came into the third quarter looking like alligators. They almost completely squelched Nevada's great passing combination of Ed Jessie and Don Jones, while putting on a fancy air and ground show of their own which saw them score five times in the last half.

When the game was over, Ellis had proven himself a worthy successor to the now departed State all time great, Maury Duncan, by throwing long t.d. passes to Boggan and Little All American end candidate George Wehner, and in setting up another tally with a long one to Wehner.

This week's game with the Cal Aggies should prove an interesting one. The Aggs, who came on strong in late season last year after losing their first six games, are improved and hope to get off on a good foot under new head Coach Will Lotter.

Thomas A. Edison's first patent was for a voting machine—an electrical vote recorder.

Jeffs Open Today Vs. Strong Serra Eleven

RETRIEVER WINS HONORS AT TRIALS

Beewacker's Chester, a two-year-od Chesapeake bay retriever owned by E. J. Rowe of 174 Winchester, Daly City, won two honors last week in trials held in Santa Cruz and Salinas.

Competing in the Northern California Retriever's club competition at Salinas, Beewacker's Chester won a certificate of merit

in qualifying. He was ranked approximately fifth out of 21 retrievers competing.

In the Chesapeake All-Breed flight, sponsored by the American Chesapeake club, Beewacker ran fourth in qualifying.

As Beewacker's training increases, he will become eligible to compete in open-all age class.

ast year Beewacker won acclaim by claiming three firsts in three derby stakes field trials.

Rowe has another Chesapeake retriever seven months old which he eventually plans to enter in competition.

JEFFERSON 20s BREEZE TO WIN OVER CAPUCHINO

10s Contest Off As Bus Delayed

Never headed, Jefferson High school's 20s basketball team were victorious in their first league game Tuesday as they turned back Capuchino, 29-25, at the local pavilion.

Coach Mike Orlich's lightweight crew led 6-0 at the quarter, 16-4 at half, and 24-10 at the third quarter's close to breeze to the league win.

Pacing the offensive was center Len Hinterman with 11 markers. Others scoring were Wally King, forward, 8; Bob Phillips, forward, 6; Dick Fudge, center, 4.

The Jeffs top performer, Guard George Rocchi, was not in the action, being sidelined with a broken thumb.

The Indian 10s missed out on their league debut, as the Capuchino team's bus broke down enroute, delaying their arrival about two hours.

The Jeff 10s may be awarded a forfeit win on the cancelled contest.

Orlich was dismayed that the game was called off, since the Cap 10s are vaunted as tops in the league, while Orlich thinks the same about his charges.

Both Indian squads were scheduled to meet Burlingame yesterday (Thursday).

Every year between six and seven thousand kinds of insects are described and named for the first time by entomologists.

INDIAN OFFENSIVE CRIPPLED MONDAY AS TWO REGULAR BACKS ARE SIDELINED

Jefferson High school's varsity football eleven will take the field here today (Friday) at 3:15 p.m. for their first 1954 contest, a practice tilt against Serra High school of San Mateo.

The local club, with a jagged hole in their backfield, will be a decided underdog against a team that has already registered two impressive wins.

Jim Honeywell, veteran halfback who was primed as Coach Joe McGrath's chief offensive threat on the Jefferson squad, will probably not event suit up for today's contest, having suffered a sprained ankle in Monday's scrimmage.

A Bad Day

Monday proved a bad day all the way around for McGrath, as it also will probably cost him the services today of the other regular halfback, Del Hamann. Hamann also sustained an ankle sprain, and may see only limited service.

The Indian mentor doesn't want to take any chances of permanent injuries for either of his two first string backs, who'll be needed even more next week in the league opener against San Mateo.

Most serious injury Monday in the initial scrimmage was received by third-string end Walt Cramer, who broke his ankle and will be lost for the remainder of the season.

Queen Replacement

The Honeywell gap will probably be filled by Bob Queen, a transfer from West Virginia, who is a fairly adept passer.

In the event Hamann is sidelined, Ron O'Rourke will handle his chores.

The Indian offense today will probably be heavy on the ground attack. To date, with only two weeks practice, McGrath has concentrated on the ground game and hasn't developed too much aerial stuff.

Asked what his team's chances were today, McGrath said, "They have a definite advantage with two games behind them but they won't overpower us."

The Serra club, with a 26-0 win over St. Mary's and a 13-12 decision over Bellarmine, is strong, well-balanced, with good backs, according to McGrath.

The contest with Serra will mark Jefferson's lone practice game of the year. Starting next Friday the Indians will enter uninterrupted league play for nine successive weeks.

Jeff Starting Lineup

Mike Cloonan, re; Al Figone, rt; John Murphy, rg; Don Wiesner, c; Richard Guisti, lg; Harry Sampson, lt; Rich bodriquez, le; Bob Grubb, qb; Bob Queen, hb; Ron O'Rourke, hb; George Seger or Tex Prentice, fb.

Buy better

You buy more car . . . drive more car . . . get more resale value

When you see what the other low-priced cars are offering for the same kind of money that buys a Ford V-8, you won't settle for less than a Ford. And Ford returns a higher proportion of its original cost in trade. Surveys of used car prices prove it.

Buy newer

It's more than a V-8 . . . it's a Y-block V-8

While other low-priced cars are scampering to catch up, Ford offers the only V-8 in the low-price field. And with its new low-friction, Y-block design, this Ford V-8 is the most modern engine in the entire industry.

The only ball-joint ride in the low-price field

No other low-priced car can match Ford for ease of handling and smooth riding because no other has this amazing new front suspension . . . another big "plus" that makes Ford worth more when you *sell* it, too.

Buy now

We are offering the best DEALS in 30 years

Because we Ford Dealers sell more cars per dealer than competition, we can afford to give better deals on trades. And because our sales are breaking all records, we're continuing to offer the best deals in town.

Get truly modern styling

Ford and Ford alone in its field brings you tomorrow's long, low look *today*. Other low-priced cars can't offer you styling to compare until later on, if at all.

For a better deal come in today!
